On behalf of the players, tournaments, volunteers and our management team, welcome to the 2009 PGA TOUR season. Thank you for your continued coverage of the TOUR and its world-class athletes. Your words and images tell the stories of our players and events, bringing the TOUR to millions of fans around the globe.

Last year was another extraordinary season for the PGA TOUR. The 2008 FedExCup competition provided outstanding tournaments throughout the year and into the PGA TOUR Playoffs for the FedExCup and, ultimately, a very deserving champion in Vijay Singh. The FedExCup is clearly working, based on the media coverage, fan interest and most importantly, quality of the competition. That being said, there is room for continued improvement as we go forward.

In the third year of the FedExCup, we have instituted a few changes to the Playoffs structure in order to ensure a more dramatic conclusion to the season. These changes are focused on guaranteeing that once we reach THE TOUR Championship presented by Coca-Cola, the FedExCup will be decided in Atlanta (and not before), the top players from the entire season are in the field and that several players will have a legitimate chance to win the FedExCup.

In addition to Vijay's return to the winner's circle – three times within a month's span – 2008 provided compelling storylines and champions throughout the year. Tiger Woods won four of the six events in which he played, including an unforgettable triumph over Rocco Mediate at the U.S. Open on a badly injured knee, which ultimately took him out of competition for the rest of the season. Sergio Garcia claimed the most important victory of his career thus far with a playoff win over Paul Goydos at THE PLAYERS Championship. Kenny Perry set his sights on making the U.S. Ryder Cup Team and won three events on his way to accomplishing that goal. Player of the Year Padraig Harrington won back-to-back major championships, the British Open and PGA Championship, to take his career major count to three. And Colombia's Camilo Villegas won the final two Playoff events, including a memorable duel with his friend Sergio at THE TOUR Championship presented by Coca-Cola.

Garcia and Villegas weren't the only young players making headlines in 2008. Numerous 20-somethings delivered outstanding performances on big stages time and time again – Trevor Immelman, 2008 Masters champion; Ryder Cup stars Hunter Mahan and Anthony Kim, who was a two-time tournament winner last year; Argentina's Andres Romero, the Rookie of the Year; and Australia's Adam Scott all turned in electrifying performances throughout the year. Thirteen players in their 20s won a total of 15 titles in 2008.

While those emerging stars lit up the PGA TOUR, the Champions Tour continued to feature some of the most accomplished and recognizable players in golf. Marquee names continued to win and entertain record crowds throughout the year, including 2008 champions Bernhard Langer, Jay Haas, Loren Roberts, Jeff Sluman, Tom Kite, Fred Funk, Eduardo Romero and Tom Watson. Each year the Champions Tour sees an influx of new talent when PGA TOUR legends turn 50. In 2009, the Champions Tour welcomes the likes of Tom Lehman, Bob Tway and Fred Couples.

In 2009, the Nationwide Tour celebrates its 20th year of developing the next generation of PGA TOUR stars. Since launching in 1990, the Nationwide Tour has evolved into the official proving ground of the PGA TOUR and had a direct impact on the TOUR with two out of every three TOUR members being alumni. To date Nationwide Tour alumni have won 237 PGA TOUR tournaments, including 11 major championships and three PLAYERS Championships. A variety of 20th anniversary promotional efforts will increase the awareness, understanding and appreciation of the Nationwide Tour's rich history and evolution.

This year's PGA TOUR schedule features new title sponsors for the HP Byron Nelson Championship in Irving, TX, and The Transitions Championship in Palm Harbor, FL. In addition, the Bob Hope Chrysler Classic will now be hosted by the legendary Arnold Palmer.

With the United States' thrilling win at the Ryder Cup last year, the excitement and momentum is building for The Presidents Cup in October at San Francisco's historic public course, Harding Park. International players such as Vijay Singh, Camilo Villegas and Ernie Els rank in the top 10 of the Official World Golf Ranking and will look to challenge the stars of the U.S. Team for their first Presidents Cup title on U.S. soil. Fred Couples will captain the U.S. Team, and Greg Norman will lead the International Team. These captains were two of the most dominant players during the 1980s and 1990s, and both have played in The Presidents Cup during their stellar careers, which is a first in The Presidents Cup history.

The PGA TOUR was proud to announce a record for charitable giving last year of more than \$123 million. With the commitment of our tournaments, players, sponsors and thousands of volunteers, we are still on track to reach our second billion in charitable donations within approximately the next five years. Our appreciation and congratulations go out to everyone involved who is helping to make this goal a reality.

Thank you again for your coverage of the PGA TOUR. If you have questions or concerns, our communications team on site at tournament media centers or at our headquarters in Ponte Vedra Beach, FL, will be happy to assist.

Sincerely,

Timothy W. Finchem

PGA TOUR Overview

The name of our organization is the PGA TOUR, a tax-exempt membership group of professional golfers that plays more than 100 official money tournaments on three Tours – the PGA TOUR, Champions Tour and Nationwide Tour. Our headquarters are located in Ponte Vedra Beach, FL, southeast of Jacksonville.

We should be referred to as the PGA TOUR or TOUR (on second reference), but not the PGA, as we are a different organization than the PGA of America.

The PGA is the Professional Golfers' Association of America, a membership organization for the nation's club professionals. The PGA runs the PGA Championship, Senior PGA Championship and Ryder Cup Matches, among other championships. The PGA headquarters are located in Palm Beach Gardens, FL.

The PGA TOUR and PGA of America were affiliated until 1968, when the tournament players, a small subset of the total PGA membership, broke

away to form the Tournament Players Division and gain more control of their finances and tournament schedule. The Tournament Players Division was renamed the PGA TOUR in 1975.

Two other American golf organizations are involved in men's professional tournament play, independent of the TOUR but with their marquee events included on the TOUR schedule as non-TOUR co-sponsored tournaments. The United States Golf Association, with headquarters in Far Hills, NJ, oversees the national championships (U.S. Open, U.S. Senior Open, U.S. Amateur, U.S. Women's Amateur, etc.) and administers the Rules of Golf, among other duties. The Augusta (GA) National Golf Club plays host to the Masters Tournament. The Royal and Ancient Golf Club of St. Andrews, Scotland oversees the British Open and administers the world's golf rules jointly with the USGA.

The PGA TOUR is the world's foremost golf Tour, with official money events from January through November. This year is the third in a new era for the PGA TOUR with the continuation of the FedExCup, a season-long points competition culminating with the PGA TOUR Playoffs for the FedExCup.

FedExCup

Overview

The PGA TOUR entered a new era in 2007 with the introduction of the FedExCup, a season-long points competition offering \$35 million in bonus money and culminating with the PGA TOUR's first-ever Playoff system. In 2009, the four Playoff events will offer \$30 million in prize money, meaning a total of \$65 million is on the line over the final weeks of FedExCup competition.

Over the span of 37 weeks of competition, players vie to become the FedExCup Champion, which distinguishes the one player who not only performs well during the 33-week PGA TOUR Regular Season, but also excels through the pressure of the four-event PGA TOUR Playoffs for the FedExCup. Tiger Woods won the inaugural FedExCup in 2007 and the \$10 million top prize. Vijay Singh won the title in 2008.

2008 Recap

Vijay Singh won the second FedExCup in 2008 when he gained a nearly insurmountable lead with victories at The Barclays and Deutsche Bank Championship.

Singh won the first 2008 PGA TOUR Playoffs event, The Barclays, at Ridgewood Country Club in Paramus, NJ, in a playoff over Sergio Garcia and Kevin Sutherland. Garcia holed a 27-foot birdie putt on the first playoff hole and watched as Singh made a 26-footer to force another playoff hole. Sutherland was eliminated when he couldn't match their birdies. On the second playoff hole, Singh two-putted for birdie on the par-5 17th hole to earn the victory.

Singh carried his momentum on to the Deutsche Bank Championship the following week, displaying fantastic putting as he closed with an 8-under-par 63 at TPC Boston to win by five strokes.

Camilo Villegas came through the following week at the BMW Championship in St. Louis. After finishing tied for third at the Deutsche Bank Championship, Villegas led after every round at Bellerive Country Club to claim his first PGA TOUR victory. The Colombian led the field in putting for the week.

That carried over to THE TOUR Championship presented by Coca-Cola three weeks later. Villegas overcame a five-stroke deficit with six birdies on the final 11 holes of regulation to tie Sergio Garcia. He two-putted for par on the first playoff hole, the par-3 18th, to win the tournament at Atlanta's East Lake Golf Club and place second in the FedExCup standings. Garcia finished third in the FedExCup standings, followed by Anthony Kim and Jim Furyk.

During the Regular Season, TOUR members earn points based on their finish, with a strong emphasis placed on winning and high finishes. Once the Regular Season concludes, the top 125 players advance to the Playoffs, a series of four \$7.5 million tournaments offering quintuple points relative to Regular Season events.

The Playoffs feature a progressive cut beginning with The Barclays in New York (125 players), continuing with the Deutsche Bank Championship in Boston (100 players) and the BMW Championship in Chicago (70 players). A reset takes place, seeding the top 30 players for the culminating TOUR Championship presented by Coca-Cola in Atlanta, where the FedExCup Champion is crowned.

The new PGA TOUR schedule divides the golf season into two parts:

1 FedExCup

- PGA TOUR Regular Season (33 weeks)
- PGA TOUR Playoffs for the FedExCup (4 weeks)

2 PGA TOUR Fall Series

2009 Changes

In late November 2008, the PGA TOUR Policy Board ratified recommended changes to the structure of the FedExCup competition for 2009 that guarantee the FedExCup Champion will be determined at the culminating Playoff event, THE TOUR Championship presented by Coca-Cola. These changes impact both the Regular Season and the PGA TOUR Playoffs for the FedExCup.

Key among the approved FedExCup changes for 2009 are:

- Shifting the points reset from the beginning of the Playoffs to after the BMW Championship, which means points earned during the PGA TOUR Regular Season will be carried through the first three Playoff events.
- Quintupling points awarded at Playoff tournaments relative to Regular Season tournaments.
- Changing the field size of the Playoff events to 125 at The Barclays, 100 at the Deutsche Bank Championship, 70 at the BMW Championship and 30 at THE TOUR Championship presented by Coca-Cola; they previously were 144, 120, 70 and 30, respectively.
- Streamlining the points structure for ease of understanding

"At the conclusion of this year's FedExCup, we knew we had to reevaluate the current structure and consider the best ways to maintain interest and excitement throughout the Playoffs," said PGA TOUR Commissioner Tim Finchem. "With the changes we have announced, we believe we have a formula that will deliver what our players, fans, tournaments, sponsors and television partners want and expect from the FedExCup."

The reset ensures a real shootout at THE TOUR Championship as all 30 players in the field will have a mathematical chance of winning the FedExCup with a victory at East Lake Golf Club. A win by any of the top five seeds will guarantee the FedExCup title outright while seeds 6-10 will have an excellent chance of capturing the title with a victory.

"By moving the reset to after the BMW Championship, the Regular Season not only will determine who qualifies for the Playoffs, it also will play a vital role in determining who advances to THE TOUR Championship," Finchem said. "These structural changes, combined with the one-week break between the BMW Championship and THE TOUR Championship presented by Coca-Cola, will assure heightened drama and excitement as we progress through the Regular Season and into the Playoffs."

playoff during the final round of The Barclays in 2008.

This new structure rewards the top performers during the PGA TOUR Regular Season and those who excel during the Playoffs. By quintupling the points for Playoff events, more dramatic moves toward the top of the standings are possible during the first three events, thus determining who is in best position to challenge for the FedExCup at THE TOUR Championship presented by Coca-Cola.

The points structure also has been simplified by significantly reducing the number of points awarded at tournaments and at the reset. Regular Season events will be worth 500 points to the winner with modest differences in certain events, including the major championships, THE PLAYERS Championship and the World Golf Championships. Playoff events will award 2,500 points for a victory. The reset will award 2,500 points to the No. 1 seed heading into THE TOUR Championship at East Lake Golf Club in Atlanta. (*detailed point breakdown on pages 1-14 and 1-15*)

The PGA TOUR Policy Board also approved scheduling the 2009 TOUR Championship presented by Coca-Cola for the week of Sept. 21-27, creating a one-week separation from the penultimate Playoff event, the BMW Championship (Sept. 7-13).

FedExCup Points Structure

1 FedExCup

PGA TOUR Regular Season

The Regular Season will consist of 37 events in 33 weeks from the beginning of January at the Mercedes-Benz Championship in Hawaii through mid-August at the Wyndham Championship in Greensboro, NC. Points are awarded at four levels:

- Official PGA TOUR events played during the Regular Season each award 500 FedExCup points to the winner.
- The Masters Tournament, THE PLAYERS Championship, U.S. Open, British Open and the PGA Championship award 600 FedExCup points to the winner.

- World Golf Championships events award 550 FedExCup points to the winner.
- Additional events (played opposite other tournaments) award 250 FedExCup points to the winner.

The Regular Season points standings will carry over to the PGA TOUR Playoffs for the FedExCup.

PGA TOUR Playoffs for the FedExCup

The PGA TOUR Playoffs consist of four events immediately following the Regular Season – The Barclays, Deutsche Bank Championship, BMW Championship and THE TOUR Championship presented by Coca-Cola. The Regular Season points standings determine the top 125 players who qualify for the first event, The Barclays. Each playoff event offers 2,500 points (quintuple the Regular Season). The second event, the Deutsche Bank Championship in Boston, will have a 100-player field. The third tournament, the BMW Championship in Chicago, will have 70 players (with no cut).

The finale, THE TOUR Championship presented by Coca-Cola in Atlanta, will be comprised of the top-30 qualifiers following the BMW Championship. Following a points reset, those players will compete for the FedExCup with one to be crowned the FedExCup Champion. Each tournament will have a \$7.5 million purse in addition to the \$35-million FedExCup bonus pool.

Ties: Reset points will be distributed between the tying positions using the same methods for dealing with ties during events – the total points for each of the tying positions are divided equally among all players in the tying position.

In the event that a player who qualifies for a Playoff event chooses not to play in that event, there will be no alternates and the field will be shortened.

Broadcasting

The PGA TOUR entered new television agreements in 2007 under a term of six-year network deals. CBS and NBC provide weekend coverage of the PGA TOUR FedExCup competition for the 2007 through 2012 seasons. Also beginning in 2007, GOLF CHANNEL became the TOUR's exclusive cable partner. The new agreements also provided for the move of THE PLAYERS Championship to a new May date and a new broadcast format with limited commercial interruptions.

All CBS and NBC weekend broadcasts were in high definition for the first time in 2007.

Some of the highlights of televised golf in 2009 and other areas where you can stay tuned to PGA TOUR golf:

CBS

CBS, entering its 59th year of broadcasting golf in 2009, will expand its role as the dominant carrier of PGA TOUR golf, increasing its annual event coverage from 19 to 20. It broadcasts the majority of West Coast events, including the Buick Invitational in San Diego and the Northern Trust Open in the Los Angeles market. CBS will also have a strong run through the spring and summer months of the FedExCup competition, including the Masters, the AT&T National, the World Golf Championships-Bridgestone Invitational, the PGA Championship and The Barclays, the first of the four-event PGA TOUR Playoffs for the FedExCup.

CBS's coverage of PGA TOUR golf is led by on-air host Jim Nantz (in his 24th year) and third-year analyst Nick Faldo, a World Golf Hall of Fame member. Gary McCord, David Feherty, Peter Kostis, Ian Baker-Finch, Peter Oosterhuis, Bobby Clampett, Bill Macatee and Verne Lunquist round out the on-air golf team.

Lance Barrow is CBS's coordinating producer for golf.

NBC

NBC added five new PGA TOUR events in 2007, doubling its previous lineup.

In addition to continuing its weekend telecasts of THE PLAYERS Championship, which moved to early May, NBC is the network home of the final three weeks of the PGA TOUR Playoffs for the FedExCup, beginning with the Deutsche Bank Championship in Boston, the BMW Championship in Chicago and the concluding TOUR Championship presented by Coca-Cola in Atlanta. NBC also broadcasts two World Golf Championships events, including the World Golf Championships-Accenture Match Play

Championship in late February as a prelude to its traditional five-event March run that includes the World Golf Championships-CA Championship at Doral Golf Resort & Spa. NBC also will broadcast The Presidents Cup 2009. NBC also broadcasts the U.S. Open in October.

Dan Hicks

Johnny Miller

THE PLAYERS is televised by NBC under a limited commercial format with commercial messages restricted to the event's three Proud Partners, PricewaterhouseCoopers, JELD-WEN, and UBS.

GOLF CHANNEL will televise six hours of early round coverage each day, followed by later air times on the weekend during the NBC broadcast.

NBC Sports' Emmy Award-winning golf production team is led by on-air hosts Dan Hicks and Johnny Miller, who are in their 10th year together. Hicks and Miller are joined by tower reporters Gary Koch and Bob Murphy, on-course reporters Roger Maltbie, Mark Rolfing and Dottie Pepper and interviewer/essayist Jimmy Roberts.

NBC's golf coverage is produced by Tommy Roy.

GOLF CHANNEL

The TOUR has a strategic, exclusive cable partnership with GOLF CHANNEL. Under the 15-year agreement, which began in 2007, GOLF CHANNEL will provide early round coverage of all TOUR official money events. In addition, GOLF CHANNEL will provide full coverage of the first three events of the PGA TOUR Regular Season (Mercedes-Benz Championship, Sony Open in Hawaii and the Bob Hope Chrysler Classic), as well as all additional events that are scheduled the same week as the World Golf Championships and British Open. GOLF CHANNEL will also televise full coverage of the Fall Series events following the FedExCup. GOLF CHANNEL will provide six hours of daily early round coverage for THE PLAYERS Championship and televise the PGA TOUR Qualifying Tournament.

GOLF CHANNEL has also added exclusive, early-round coverage of The Presidents Cup in 2009 and select early-hour weekend coverage of other events.

GOLF CHANNEL will provide viewers with prime-time, same-day replays and extensive pre-round and post-round news coverage and analysis.

GOLF CHANNEL also continues to be the exclusive cable partner of the Champions Tour and the Nationwide Tour.

The broadcast team—in its third year together—for GOLF CHANNEL's PGA TOUR tournament telecasts in 2009 will include six-time major championship winner Nick Faldo and Kelly Tilghman. Other talent will include Peter Oosterhuis, Mark Rolfing, Dottie Pepper, Rich Lerner, Frank Nobilo, Brian Hammons, Jerry Foltz and Steve Sands.

GOLF CHANNEL (GolfChannel.com), co-founded by Arnold Palmer and a subsidiary of Comcast Corporation (NASDAQ: CMCSA, CMSK), is available in more than 110 million homes worldwide through cable, satellite and wireless companies. It features a programming schedule that includes more live golf coverage than any other network—an extensive blend of golf competition from around the world—as well as news, instruction and original productions.

THE PLAYERS Championship and TPC Sawgrass

OVERVIEW

More than 25 years after its conception, the crown jewel of the TPC Network, THE PLAYERS Stadium Course at TPC Sawgrass, has been reborn. The work, completed in early 2007, was designed to enhance THE PLAYERS Championship as one of the world's elite tournaments while elevating the TPC Sawgrass' reputation as a world-class resort. The project included substantial improvements to THE PLAYERS Stadium and Dye's Valley Courses as well as a new clubhouse and upgraded practice facilities.

THE PLAYERS moved to May from its previous March date in 2007 to improve the FedExCup schedule's overall spacing of marquee tournaments that bring all the world's best players together.

Time line of renovations

March 20-26, 2006	2006 PLAYERS Championship
March 29, 2006	Main Clubhouse closed; temporary clubhouse opened with limited services
April 3, 2006	THE PLAYERS Stadium Course and practice facilities closed
April 3, 2006	THE PLAYERS Stadium Course renovations began
April 10, 2006	Full-scale demolition of clubhouse began
November 2006	THE PLAYERS Stadium Course and practice facilities reopened
Late April 2007	Reopening of the new clubhouse
May 7-13, 2007	2007 PLAYERS Championship

THE PLAYERS CHAMPIONSHIP

THE PLAYERS' date will be the second week in May going forward (ending on Mother's Day); May 4-10, 2009. THE PLAYERS is televised by NBC under a limited-commercial format with messages restricted to three Proud Partners, PricewaterhouseCoopers, JELD-WEN and UBS. Air times include six hours of early-round coverage each day on GOLF CHANNEL, followed by later air times on the weekend during the NBC broadcast and in high definition.

Also, an improved on-site fan experience includes a continuous, elevated walkway along holes 16, 17 and 18 instead of the previous path below, providing more fans with better sight lines; an enhanced tournament arrival corridor with a Walk of Fame; interactive exhibits by the Proud Partners and merchandise; an expanded THE PLAYERS Stadium Village for 2009; fan hospitality at Nos. 5, 7, 9, 10 and 15; and additional kiosks, video screens and LED scoreboards.

THE PLAYERS STADIUM COURSE

The home course of THE PLAYERS is played under firm and fast conditions for the best players in the world as well as resort guests. New grasses on the fairways and greens and a state-of-the-art drainage system completed in late 2006 created premium conditions that are present year-round. There is no ryegrass overseeding during the winter months. In addition, minor competitive enhancements as well as extensive landscaping improvements make our world-class golf course even better.

Input on alterations was received from architect Pete Dye; current and past champions; local players; design, rules, agronomic and executive staff; broadcast partners; and a cross-section of golf-industry experts. Approximately 30 players were interviewed for the project.

Renovations included removing fairway topsoil and replacing it with fresh sand and extensive irrigation; rebuilding the greens using MiniVerde bermudagrass and installing a SubAir subsurface mechanical drainage system that vacuums water in wet conditions and injects air, if necessary; reducing some green slopes, renovating seven greenside bunkers and creating three fairway bunkers on No. 7; extending tees approximately 15-25 yards on Nos. 1, 8, 11, 14, 16 and 18, enabling tournament officials the flexibility of lengthening the course by approximately 100 yards for the tournament, to just more than 7,100 yards; adding spectator seating at Nos. 17 and 18; planting of large live oaks and other "impact" trees in key locations and 100 large trees removed and later replanted throughout the property; and the practice facility's range length was increased to 340 yards, a short-game area was created and a TOUR Golf Academy, with two covered hitting bays, was added on the far right side of the teeing area.

STRUCTURES

The 77,000-square-foot, Mediterranean Revival-style clubhouse was completed in time for the 2007 tournament. The old clubhouse was torn down after the 2006 PLAYERS and a new facility built in 13 months on the same site. The new clubhouse accommodates at least twice as many special events, houses historical artifacts about the PGA TOUR and THE PLAYERS and is fronted by an 11,000 square-foot lawn where fans can gather. There are premium views of the ninth and 18th holes and a view down the first fairway.

The adjacent Sawgrass Marriott Resort and Spa also underwent a multi-million-dollar refurbishment in late 2006/early 2007. The new ownership group, Ireland-based Redquartz Boundary, Ltd., and its investment partners purchased the facility with plans to make it a world-class resort destination.

A Brief History of the PGA TOUR

It is not easy to pinpoint the exact beginning of the PGA TOUR. Certainly, professionals have competed against each other from the earliest days of the game in the United States.

In 1895, 10 professional golfers and one amateur played in the first U.S. Open in Newport, RI. Shortly thereafter, tournaments began to pop up across the country, including the Western Open in 1899. But this was not "tour" golf. The events lacked continuity.

Interest in the game, however, continued to grow. American professionals were rapidly improving. When John McDermott became the first American-born player to win the U.S. Open in 1911, interest in the game blossomed. That interest became enthusiasm in 1913 when Englishmen Harry Vardon and Ted Ray came to the United States to play an exhibition tour and compete in the U.S. Open. When 20-year-old amateur Francis Ouimet defeated the pair in a playoff for the Open at Brookline, MA, golf became front-page news and a game for everyone.

In the early 1920s, a series of tournaments was held on the West Coast, in Texas and Florida. These events were held in the winter, and the golfers played their way east and up to Pinehurst, NC, in the spring. By the middle of the decade, the tour was doing relatively well—offering \$77,000 in total prize money.

The first "playing pros" organization was formed in 1932. Two years earlier, Bob Harlow had been named manager of the PGA Tournament Bureau. The tour became more structured following World War II and exploded in the late 1950s and early '60s. When Arnold Palmer, televised golf and President Dwight D. Eisenhower arrived on the scene in the late 1950s, the eyes of the world were on golf. This exposure inspired millions to try the game.

Most golf historians trace the "formal" beginning of the PGA TOUR to late 1968, when the "Tournament Players Division" split from the PGA of America and hired Joe Dey as its first commissioner. That organization became the modern-day PGA TOUR. Dey served from early 1969 through February 28, 1974, and was succeeded by Deane R. Beman on March 1, 1974.

During Beman's administration, the value of tournament purses escalated at an unprecedented rate. PGA TOUR assets grew from \$730,000 in 1974 to more than \$200 million, and total revenues increased from \$3.9 million to \$229 million in 1993.

Tim Finchem, previously the TOUR's Deputy Commissioner and Chief Operating Officer, became the TOUR's third commissioner on June 1, 1994. In 1995, Finchem undertook a restructuring program designed to strengthen the PGA TOUR's core business, which is its competitions, to expand the TOUR's international scope and prepare it to enter the 21st century. In 1996, Finchem helped spearhead formation of the International Federation of PGA Tours, as golf's five world-governing bodies laid the groundwork for taking competition into the next millennium. In 1997, the Federation announced the World Golf Championships, which made their debut in 1999 with three events—today called the Accenture Match Play Championship, Bridgestone Invitational and CA Championship. In 2007, the TOUR debuted the FedExCup.

Since 1938, PGA TOUR events have donated approximately \$1.4 billion to charity, reaching the \$1 billion milestone late in the 2005 season.

The competitive scope of the PGA TOUR also is much broader today. The Champions Tour, entering its 29th season, has been labeled the most successful senior sports venture in history. Fans and television viewers are able to get closer to the game on this Tour, both on site and with instructional platforms. The Charles Schwab Cup will be contested for the ninth time in 2009.

The Nationwide Tour, under that sponsorship umbrella for the seventh year, has been recognized as the "official proving ground" for the PGA TOUR with its excellent level of play that has two out of three players on the 2009 PGA TOUR with Nationwide Tour roots. The Tour celebrates its 20th season in 2009. The top 25 money winners earn their PGA TOUR cards for the following season. Among the former players on this Tour who have gone on to star on the PGA TOUR are David Duval, Tom Lehman, Jeff Maggert, Stuart Appleby, Stewart Cink, David Toms, 2003 U.S. Open winner Jim Furyk and 2007 Masters champions Zach Johnson. Through 2008, 237 PGA TOUR events have been won by former Nationwide Tour players.

When the PGA TOUR opened the TPC Sawgrass in 1980, it introduced the era of stadium golf and record-breaking attendance. Owned and/or operated by the TOUR, the TPC Network courses are the only major-league sports venues owned by the players themselves. The reworked PLAYERS Stadium Course at TPC Sawgrass, with refurbished fairways and rebuilt greens and a new, enlarged clubhouse, debuted in May 2007 for THE PLAYERS Championship.

The successful debut of the FedExCup in 2007 was concluded by the PGA TOUR Playoffs for the FedExCup, with Tiger Woods taking the title. Vijay Singh won in 2008.

About the Commissioner

Tim Finchem
PGA TOUR Commissioner

Tim Finchem began his 15th year as commissioner of the PGA TOUR in June 2008. From the time Finchem joined the TOUR management team, he has played a key role in strengthening the PGA TOUR's position as one of the most successful, well-respected sports organizations in the world, and his leadership has helped foster the growth of the game, both domestically and internationally.

During his tenure, Finchem has greatly expanded the earnings opportunities for PGA TOUR players. The TOUR, through its tournaments and sponsors, has dramatically escalated tournament purses and grown total revenues at an unprecedented rate. Since Finchem became commissioner in 1994, the PGA TOUR and its tournaments have raised \$1 billion for charitable organizations.

Under Finchem's leadership, The Presidents Cup was created in 1994, bringing together the world's best non-European players in team match-play competition against their American counterparts. After seven stagings, The Presidents Cup has grown to be one of the most highly anticipated events on golf's calendar, and the 2009 event is scheduled for Harding Park Golf Course in San Francisco.

Finchem has also been instrumental in the formation of the International Federation of PGA Tours and the World Golf Foundation. His personal dedication to the success of the World Golf Foundation's The First Tee initiative has meant that, in just more than 10 years, The First Tee has grown to include more than 200 chapters that reach more than 2.2 million young people.

An additional accomplishment during Finchem's tenure has been the development and introduction of the FedExCup, a season-long points com-

petition that culminates with the PGA TOUR Playoffs for the FedExCup. In 2007 and 2008, the FedExCup brought an unparalleled level of late-season focus to and interest in the TOUR, as indicated by significant increases in television and online audiences, tournament attendance, sponsor activation and media coverage.

Born in Ottawa, IL, on April 19, 1947, Finchem graduated from Princess Anne High School in Virginia Beach, VA. He attended the University of Richmond on a debate scholarship, receiving his Bachelor of Arts degree in 1969. He graduated from the University of Virginia Law School in 1973. After practicing law in Virginia Beach for three years, Finchem served in the White House as Deputy Advisor to the President in the Office of Economic Affairs in 1978 and 1979. In the early 1980s, Finchem co-founded the National Strategies and Marketing Group in Washington, D.C.

Finchem is the recipient of the Golf Course Superintendents Association of America's Old Tom Morris Award for 2001 and the PGA of America's Distinguished Service Award for 2002. He was awarded the Dick Schaap Lifetime Achievement in Sports Award in 2005.

Finchem is the third commissioner of the PGA TOUR, succeeding Deane Beman. Beman had served for 20 years, replacing the late Joe Dey, who had been the TOUR's commissioner in its first five years, 1969-74.

Prior to becoming commissioner on June 1, 1994, Finchem was deputy commissioner and chief operating officer of the TOUR. He joined the TOUR as vice president of business affairs in 1987.

Finchem and his wife, the former Holly Bachand, have four children and live in Ponte Vedra Beach, FL.

NATIONWIDE TOUR VICTORIES (2):

2008 Oregon Classic, Nationwide Tour Championship at TPC Craig Ranch.

2008 SEASON:

Made a meteoric rise on the money list in the final weeks of the 2008 Nationwide Tour season, thanks to four top-five finishes in his final six starts. Victories at the Oregon Classic and the Nationwide Tour Championship at TPC Craig Ranch propelled him over a six-tournament stretch from No. 77 on the money list into the top spot, earning full status on the PGA TOUR in 2009...Just two top-10 finishes in first 23 starts of the season, including T10 at the Nationwide Tour Players Cup and T8 the following week at the Price Cutter Charity Championship...A solo-fifth-place finish at the Albertsons Boise Open began a furious six-event finish to the season. Followed that a week later at the Oregon Classic with his first career title. Shared the first-round lead and then held a three-stroke edge after 54 holes. A back-and-forth battle with runner-up Bubba Dickerson saw the lead increase to five on the back nine before a three-shot swing at the par-5 15th cut the margin to one. Three solid pars down the stretch resulted in a two-shot win. First-place check vaulted him from No. 53 to No. 19 on the money list. Had made the cut in just 32 of 72 Nationwide Tour starts prior to the win...Shared the lead with D.A. Points into the final round of the Miccosukee Championship. Watched Points hole out for eagle from the fairway on the 72nd hole, but then holed his 12-foot birdie putt to force the playoff, which Points won with a birdie on the first extra hole. Runner-up finish was good for a 10-spot

jump to No. 12 on the money list...Capped the season with his second win at the Nationwide Tour Championship, making birdie on the final hole to finish 17-under and one stroke ahead of Jeff Klauk. Career-best \$180,000 propelled him into the top spot on the money list, earning an invitation into the 2009 PLAYERS Championship and the Crowne Plaza Invitational at Colonial. His \$447,863 for the season bettered only by Troy Matteson (\$495,009 in 2005) and Zach Johnson (\$494,882 in 2003) in Tour history. Even starting in the tournament was not guaranteed mid-week, as a kidney stone forced a hospital visit just before midnight on Wednesday. Was hooked up to an IV and passed the stone four hours later.

Has never played in a PGA TOUR event prior to his rookie season in 2009. **2007:** Finished No. 15 and No. 37 on the Canadian Tour and Tarheel Tour money lists, respectively. year making the cut in all five starts during the eight-week stretch of the West Coast Swing...Best finish of the season was T18 at the Reno-Tahoe Open. **2003:** His 14 appearances were least of his career. Finished 187th on money list, lowest since joining the TOUR full-time in 1987...Withdrew after first-round 86 at the British Open, and did not play the remainder of the season. **2002:** T2 at the British Open, his best finish at a major since third at the 1998 PGA. Closed with rounds of 68-66 to join eventual champion Ernie Els, Stuart Appleby and Thomas Levet in four-hole playoff at 6-under-par 278. Eliminated after missing 6-foot par putt on fourth and final hole of playoff. **2001:** Lingering injuries limited effective play early in the year. Was 117th on the money list...Played well late in the season. Had back-to-back T6s in the Marconi Pennsylvania Classic and Texas Open. **2000:** Year riddled with injuries and ailments. Made only 17 appearances...Injured wrist in first round of Greater Greensboro Chrysler Classic, where he missed cut, then withdrew from the next week's Shell Houston Open. BEST 2008 PGA TOUR FINISHES:

1—The Honda Classic; T3—Deutsche Bank Championship; T6—THE PLAYERS Championship, THE TOUR Championship presented by Coca-Cola; T7—British Open.

2008 SEASON:

One of the world's true global golfers - with more than 60 worldwide career victories - captured his first PGA TOUR win in 3 years, 4 months and 29 days, winning The Honda Classic by one stroke over Luke Donald. Began the final round three strokes behind Donald, Matt Jones and Mark Calcavecchia and fired a final-round 67 to complete the biggest comeback of his career. Victory was the 16th of his PGA TOUR career. Was tied with Calcavecchia until the 15th hole when Calcavecchia made double bogey from a greenside bunker. Donald just missed a birdie chip to tie on the final hole... Recorded his best career finish in 15 starts at THE PLAYERS with a T6. Carded one score of double bogey or worse each day and wound up six strokes shy of eventual champion Sergio Garcia... Opened with a 10-over 80 at the British Open, his worst round ever at the event, but 1-under 69s during the second and fourth rounds led to a T7 finish. It was his 11th top-10 finish at the British Open in 18 consecutive starts... Finished T3 at the Deutsche Bank Championship with three rounds in the 60s... His fifth top-10 of the season was a T6 at THE TOUR Championship, his

sixth top-10 at the event in 13 career starts. He ended the season 13th in FedExCup points.

CAREER HIGHLIGHTS:

2007: Played in three of the four PGA TOUR Playoffs for the FedExCup events and finished 19th in the standings... Won the South African Airways Open in December 2006... Ended his longest consecutive cuts-made streak at 46 after missing the cut at the Masters... Opened with rounds of 65-65 at the Verizon Heritage en route to finishing second to eventual winner Boo Weekley, who chipped in for par on the final two holes. Nearly holed his approach shot to the par-4 18th, which would have forced a playoff. This marked Els' seventh top-10 finish in nine starts at the Verizon Heritage... Carded three birdies and no bogeys for a 33 on the front nine to play himself into contention in the final round of the British Open at Carnoustie, but finished T4 after making two bogeys on the back nine. 11th top-10 in 17 career British Open starts... Third at the PGA Championship, finishing with a 66. It marked the sixth time in his career that he has recorded back-to-back top-five finishes at major championships. Notched 3-2-0 record in fifth Presidents Cup appearance for International squad... Won a record seventh HSBC World Match Play Championship in mid-October at the Wentworth Club in Surrey, England, beating U.S. Open champion Angel Cabrera 6 and 4 in the final on a West Course he redesigned in 2005. Previously won the event in 1994-96 and 2002-04. Victory moved him to first in the European Tour Order of Merit. He finished second to Justin Rose on the season-long list. **2006:** Posted eight top-10s and qualified for THE TOUR Championship in first full season back after 2005 knee injury... Returned from knee injury in January at the South African Airways Open Championship, where he finished second to countryman Retief Goosen...

Became the 16th player to win in consecutive seasons at the British Open and the sixth to do so since 1951 (with all but Tiger Woods posting one of their back-to-back wins at Royal Birkdale)...Sank a 15-foot par putt on the final green to capture the PGA Championship, his second consecutive major championship victory and his

third in the last six majors. Shot 66-66 on the weekend to beat Sergio Garcia and Ben Curtis by two strokes, finishing at 3-under-par 277. The key stretch was the final three holes at Oakland Hills on Sunday where Harrington was 1-under and the other two were 1-over. Sank a 12-foot par putt on the par-4 16th, a 10-footer for birdie on the par-3 17th and the decisive par save on the final hole. Victory gave him three titles in his last six starts in majors.

CAREER HIGHLIGHTS:

2007: Recorded first career major championship victory on his way to finishing 27th in the FedExCup standings...Beat Bradley Dredge on the first hole of a playoff to capture the Irish Open on the European Tour, becoming the first Irish winner of the event since John O'Leary in 1982...Earned first major championship victory at the British Open at Carnoustie Golf Links in 37th major start at age 35 years, 10 months and nine days, overcoming a double bogey at the 72nd hole and Sergio Garcia in a four-hole aggregate playoff. Was 6-under through 17 holes, but hit into the Barry Burn twice on 18 en route to a double bogey and a 67. After a bogey by Garcia on No. 18 to force a playoff, Harrington took command with a birdie on the first hole and was even par for the four holes, one ahead of Garcia. Sat 15-under through 13 holes but had two bogeys and a birdie over last five holes to be the first of the trio to finish 14-under. After Ogilvie was eliminated on first extra hole, improved his playoff record to 1-1 when Singh missed a 3-footer for par that would have extended the playoff. 2008 SEASON:

Recorded two top-10s and placed 142nd on the PGA TOUR money list, his lowest finish since 1991. Also made just 17 starts, the fewest since 1991, and didn't play after The Barclays. Will use a one-time exemption of Top 25 on the

PGA TOUR career money list with a secondary exemption of a Minor Medical Extension for 2009. On the medical exemption, has six events to earn \$176,101, which combined with 2008 earnings of \$676,651, would equal 2008's No. 125 earnings and subsequently be upgraded to Major Medical Extension status for the remainder of 2009...First top-10 of the season was a T8 at the Arnold Palmer Invitational. It was his fifth top-10 at Bay Hill out of 16 starts in Orlando... Recorded his sixth top-10 in his 17th appearance at THE PLAYERS with a T6 finish. Continued success on the par-3 17th where he is 11-under par in 62 career rounds, including hitting land 61 times...Becomes eligible to join the Champions Tour at the 2009 AT&T Champions Classic in March.

CAREER HIGHLIGHTS:

2007: Finished in the top 125 on the money list for the 16th consecutive season on the strength of three top-10s...Opened with three rounds in the 60s en route to a T5 finish at the Arnold Palmer Invitational, five strokes behind champion Vijay Singh...Claimed T5 finish at the Crowne Plaza Invitational at Colonial. Despite numerous rain delays, posted four rounds in the 60s for the first time since the 2004 Michelin Championship at Las Vegas...Carded three rounds in the 60s to finish T6 at the Travelers Championship.

2006: Posted best finish on money list since 2001, dividing time between competition and Ryder Cup Captain duties for the United States squad, which lost at Oakland Hills...Credited much of on-course success to fitness regimen

where he lost approximately 25 pounds between August 2005 and February 2006...Finished fourth at the World Golf Championships-Accenture Match Play Championship, falling to Zach Johnson in the consolation match, 1-up...Recorded the 19th runner-up finish of his career, losing to Dean Wilson in a playoff at The INTERNATIONAL. The two ended regulation with 34 points in the Modified Stableford format, but Wilson's birdie on the second extra hole dropped Lehman's career playoff record to 0-3...Withdrew from World Golf Championships-American Express Championship following the Ryder Cup to attend Byron Nelson's funeral. **2005:** T2 at the Buick Invitational. Birdied the last six holes on the North Course during first round to finish at 10-under 62 (matched career low). Finished three back of Tiger Woods after bogeying the final two holes...Finished as runner-up for the second time in his career at THE PLAYERS Championship. Played 27 holes on Monday, including a tournament-best final-round 4-under 68, which carried him into the clubhouse at 8-under 280. 2006 Reno-Tahoe Open, 2008 Viking Classic.

BEST 2008 PGA TOUR FINISHES:

1—Viking Classic; T4—John Deere Classic.

2008 SEASON:

Picked up second career TOUR victory in a playoff at the Viking Classic, one of two top-10 finishes of the year... After missing six cuts in his first 10 starts, underwent right knee surgery on May 1 and was sidelined for eight weeks. Returned at the Buick Open in late June... Collected his first top-10 of the season with a T4 at the John Deere Classic. Held a two-stroke lead after 36 holes at TPC Deere Run. Closed with a 1-under par 70 to miss the three-man playoff won by Kenny Perry by one stroke. It was his first top-10 since a T7 at the 2007 Wyndham Championship... In the next start, collected his second TOUR title at the Viking Classic in a three-man playoff. On Sunday, he birdied four of the last six holes to record a 4-under 68 and reach a playoff with Marc Turnesa and Brian Gay. Birdied the par-5 18th hole three consecutive times, including the first two playoff holes. Gay dropped out after the first extra hole, and third-round leader Turnesa was eliminated on the second extra hole. Collected a career-best \$648,000 with the win. The victory came one day after calling a two-stroke penalty on himself for moving a loose impediment inside a hazard on the par-5 18th hole, leading to a triple bogey to finish the third round.

CAREER HIGHLIGHTS:

2007: Started the year with a bang thanks to a T4 finish in first appearance in the Mercedes-Benz Championship. One of four first-time participants to finish among the top-10. Opened with a 4-under 69 to share the first-round lead with four other players, including eventual winner Vijay Singh... Next top-10 came in June at the Stanford St. Jude Championship, a T8 at TPC Southwind... Playing in home state, North Carolina, at the Wyndham Championship, led after a first-round 64, finished T7. **2006:** Second year on TOUR highlighted by first career win at the Reno-Tahoe Open, his only top-10 of the season... One of 13 first-time winners on TOUR in 2006... Finished season No. 100 on the money list... Win at the Reno-Tahoe Open came in his 47th career start. Set tournament first-round scoring record with a 9-under 63. Held first-round lead and shared third-round lead prior to making a 10-foot birdie putt on the 72nd hole to defeat Bob Estes by a stroke. The birdie on 18 was his first on the back nine since the second round. Set tournament record with three eagles in the first round and four overall. Became tournament's fourth first-time winner.

2005: After finishing 179th on the PGA TOUR money list in his rookie season, placed T9 at the Qualifying Tournament in December to regain his status for 2006. Lone top-10 was a T8 at the Michelin Championship at Las Vegas. **2004:** Earned initial TOUR card by finishing T26 at the Qualifying Tournament, his first trip to finals in three attempts. Named Player of the Year on the Hooters Tour after finishing third on the money list and winning three times, at the Touchstone Energy Open in Greenville, NC; Buffalo Run Casino in Miami, OK; and Dothan (AL) Classic. **2003:** Won

the Canon U.S.A. Classic in West Palm Beach, FL, on the Golden Bear Tour and finished ninth on the money list that year. Has also played the Canadian Tour.

CAREER HIGHLIGHTS:

2007: Granted Major Medical Extension carryover for 2008. Did not play on the PGA TOUR in 2007 as he continued comeback from elbow surgery performed in August 2006. **2006:** Limited to 15 events due to season-ending right elbow surgery on August 16 to repair a torn extensor carpi radialis brevis (muscle that runs from the wrist to the elbow). Best finish was T15 at the Zurich Classic of New Orleans. **2005:** Finished T2 at the FBR Open in Phoenix, thanks to a pair of 65s on the weekend. Fifth runner-up since his last victory at the 2001 BellSouth Classic...Held the second-round lead (6-under 138) by a stroke over three players at the BellSouth Classic. Final-round 76 left him T32 at the weather-shortened, 54-hole event. **2004:** Failed to extend streak of \$1-million seasons to four as money list position fell below No. 100 for the first time since 1999...Part of a four-man playoff after closing with 1-under 71 at the Reno-Tahoe Open, one of only 11 players to post an under-par score on Sunday. Rookie Vaughn Taylor

claimed his first TOUR title when he rolled in an 11-foot birdie putt on the first extra hole. **2003:** After eight top-25s in first 22 events, broke through in 23rd start, a T10 in adopted hometown at the Reno-Tahoe Open...Lost in sudden-death playoff to Stuart Appleby at the Las Vegas Invitational. Weibring (1991), Andrew Magee (1991) and Bob Estes (2001). **2002:** Made 23 cuts in 28 starts and earned a career-best \$1,896,714...Earned \$1,073,624 of his season earnings during the West Coast Swing...Opened with T5 at Mercedes Championships. Victory came in face of high winds on Sunday...Posted T3 at Fed Ex St. Jude Classic...Finished in the top-30 for the first time since 1997 and secured a spot in THE TOUR Championship, where he finished 18th. **2000:** Compiled season earnings of \$495,975, good for 97th on official money list...Two top-10 finishes came in final stretch of season, effectively securing full playing privileges. In final official money appearance of year, finished T5 at Invensys Classic of Las Vegas. **1999:** Fell out of the top 100 in season earnings for first time in four years with 101st-place finish. Lone top-10 came at Air Canada Championship where high finish was sparked by Northview G&CC course-record 10-under-par 61 in the final round. Began the day tied for 47th and, starting on the back nine, played his first nine holes in 5-under-par 30. He then birdied five consecutive holes on the front-nine for a 5-under-par 31. The 61 was two strokes better than his previous best. **1998:** Made 14 of 28 cuts, including three top-10s on way to 69th-place ranking on money list. **1997:** Captured his second PGA TOUR title, winning the BellSouth Classic. Opened 70-69 at TPC Sugarloaf, then fired 66 for share of lead with David Duval. Final-round 69 secured three-stroke victory over Duval and Lee Janzen. Victory came after he pulled hamstring racing Dicky Pride during second-round rain

delay. Injury forced him to keep swing shorter and he credited Pride (at least in part) for the win...In pairing of long putters, teamed with Bruce Lietzke to capture unofficial money title Franklin Templeton Shark Shootout. **1996:** Became third consecutive first-time winner following Tim Herron (Honda Classic) and Paul Goydos (Bay Hill Invitational) with victory at Freeport-McDermott Classic. PERSONAL:

After college, gave up golf for four years to work with his father in the family clothing business. During that period, athletic focus was on flag football, softball, tennis and racquetball. Return to golf was sparked by 1991 visit to Raley's Senior Gold Rush, the Champions Tour event at Rancho Murieta, CA. After watching event, went home and built long putter in garage. Nearly won U.S. Mid-Amateur with homemade model later that year. Used more sophisticated version to win his three TOUR titles...In August 1999, made hole-in-one during first round of CVS Charity Classic immediately following ace by Lee Janzen on 17th hole at Rhode Island CC.

For the week, went the first 61 holes without a bogey before making a 5 on the par-4 seventh hole during Sunday's final round, his only bogey of the week. OTHER VICTORIES (2):

2005 Franklin Templeton Shootout [with John Huston]. 2008 Merrill Lynch Shootout [with Scott Hoch].

BEST 2008 PGA TOUR FINISHES:

1—the Memorial Tournament presented by Morgan Stanley, Buick Open, John Deere Classic; 2—AT&T Classic; T3—Bob Hope Chrysler Classic; T6—Travelers Championship, U.S. Bank Championship in Milwaukee.

2008 SEASON:

Had a career season with three tournament victories before competing on his second Ryder Cup Team near his home in Kentucky. Totaled a career-best \$4,663,794 in season earnings... Recorded a T3 finish at the Bob Hope Chrysler Classic, four strokes behind tournament winner D.J. Trahan. It represented his best finish at the tournament since winning in 1995. Only seven players at the BHCC have more top-10 finishes than his six... In early May, carded rounds of 68-70 to hold the 36-hole lead at THE PLAYERS Championship and was in Sunday's final pairing with Paul Goydos before a final-round 81 dropped him to T15... The following week, was one stroke back going into the final round of the AT&T Classic and fired a 3-under 69 to get into a playoff with Ryuuji Imada. On the first playoff hole, the par-5 18th, his second shot wound up in the water after it struck a pine tree behind the green and ricocheted back across the green into the water. He made bogey and Imada two-putted for par and the win... Two weeks later,

collected his 10th TOUR title and third at the Memorial Tournament with a two-stroke victory over four players at Muirfield Village Golf Club. He became the oldest winner of the Memorial Tournament and on TOUR at the time in 2008 at 47 years, 3 months and 29 days. Joined Tiger Woods as the only players to collect three titles at Muirfield Village. The winner's check of \$1,080,000 also made Perry the all-time earnings leader for the Memorial Tournament with \$3,092,542, moving him past Woods... Recorded his fourth top-10 of the season with a T6 at the Travelers Championship... Cited his past success at the Buick Open as one reason for not playing in the 2008 U.S. Open and took full advantage by capturing his 11th PGA TOUR title and second at Warwick Hills G&CC. Won by one stroke over Woody Austin and Bubba Watson. Listened for the crowd's reaction from the driving range as Austin three-putted the 72nd hole and Watson missed a 15-foot birdie attempt to tie. Became the oldest champion in the tournament's 50-year history at age 47 years, 10 months and 19 days. Finished virtually assured of a spot on the U.S. Ryder Cup team at Valhalla Golf Club... Collected his 12th PGA TOUR title and third in the past seven weeks in a one-hole playoff over Jay Williamson and Brad Adamonis at the John Deere Classic. It was his ninth start at TPC Deere Run. Held a one-stroke lead at 17-under through 17 holes on Sunday only to lose it after making bogey from the fringe of the green. Williamson and Adamonis made pars on the final hole of regulation. In the playoff, Adamonis and Williamson both hit approach shots into the pond on No. 18. Perry tapped in from 1 foot, 4 inches for par and the victory after his 24-footer for birdie stopped just short. Third victory in a season tied 2003 for most wins during a season. He also moved to second behind Tiger Woods in the FedExCup standings. Win was his ninth in his 40s. Became the oldest player (47 years, 11 months and 3 days) in TOUR history to win three events in the same season. Julius Boros won three times in 1967, twice after turning 47, with his final win that year

coming at age 47 years, 3 months and 8 days... One week later, notched a T6 at the U.S. Bank Championship aided by a final-round 64. Has eight top-10s, including a victory in 2003, in 13 career starts in Milwaukee. In last 37 rounds at Brown Deer Park Golf Course, has posted par-or-better scores 35 times, including four rounds in the 60s in 2008. Had three wins and six top-10s in last eight starts in 2008... Earned a spot on his second Ryder Cup Team and compiled a record 2-1-1 in front of a home crowd for the week, bringing his all-time Ryder Cup record to 2-3-1... Finished 15th in the FedExCup standings.

CAREER HIGHLIGHTS:

2007: Struggled the first half of the season, attempting to regain form after knee surgery in 2006. Posted three top-10s over final 10 starts, with eight top-25s in that span. Played into third PGA TOUR Playoffs for the FedExCup event, the BMW Championship, and finished 60th in FedExCup standings. Finished among the top-125 for the 21st consecutive season... Strong play over the second half of the season began with final-round 63 at the Memorial Tournament, vaulting him into a T3 finish. Round of 63 was the lowest final-round score in Memorial history... Two weeks later, posted a T10 at the Buick Open, aided by a second-round 63. 2006: Did not have a top-10 in 22 starts for the first time in his TOUR career... Had arthroscopic surgery on his right knee on March 13 and was unable to defend his title that week at the Bay Hill Invitational... Best finish was a T11 at the Buick Open, for the past champion (2001). 2005: Finished sixth on TOUR money list. Recorded multiple victories (2) and finished with more than \$3 million in earnings for second time in his career... Won for the first time since his three-win season of 2003 with a victory at the Bay Hill Invitational. At age 44, became the oldest winner of the tournament. Beat Graeme McDowell and Vijay Singh by two strokes. Held second- and third-round leads. Tied with Singh at 12-under par through 71 holes. After Singh hit his

BEST 2008 PGA TOUR FINISHES:

1—Wyndham Championship; T4—EDS Byron Nelson Championship; T6—U.S. Open; T8—Arnold Palmer Invitational presented by MasterCard; T10—the Memorial Tournament presented by Morgan Stanley.

2008 SEASON:

Won for the third time on TOUR, at the Wyndham Championship in Greensboro, NC, where he lived during high school. Qualified for THE TOUR Championship for the second time. Surpassed \$2 million in earnings for the third consecutive season. In his eighth start of the season, recorded his first top-10, a T8 at the Arnold Palmer Invitational... Posted a T4 finish at the EDS Byron Nelson Championship. Opened the tournament with a 4-over 74, but was the only player in the field to record sub-70 rounds the final three days (68-67-69) to storm back to his second top-10 finish of the season... The 2006 Memorial Tournament champion posted a T10 at Muirfield Village Golf Club, his second top-10 in Dublin, OH... Two weeks later finished T9 for his first top-10 in the U.S. Open (four starts) and just his second top-10 in a major. Closed with 3-under 68 at Torrey Pines, his first career sub-par round in the U.S. Open out of 12 rounds played... At the Wyndham Championship in August, shot a tournament and course-record 9-under-par 61 in the second round and established a new 72-hole tournament mark (21-under 259) at Sedgefield Country Club in Greensboro en route to a two-stroke win over Scott McCarron. The 61 at the refurbished Donald Ross-designed course included two bogeys. He attended Grimsley High School, which is about seven miles from Sedgefield, after moving to Greensboro at age 15. He also played collegiately at North Carolina State and lives in Raleigh, NC, where he commuted to and from the tournament. He also serves on the board of the Wyndham Championship. The win in Greensboro, his third on the PGA TOUR, was the second time he has won a final, regular-season event on TOUR (2005 Chrysler Championship)... Competed in all four events in the PGA

TOUR Playoffs for the FedExCup, with his best finish being 21st at THE TOUR Championship. Finished the season No. 21 in FedExCup standings.

CAREER HIGHLIGHTS:

2007: Recorded a career-best 13 top-25 finishes in a season in which he made 25 of 31 cuts. Competed in three events in the PGA TOUR Playoffs for the FedExCup and finished 38th on the inaugural points list... Finished fifth at the John Deere Classic thanks in part to a final-round 68 and a Putting Average of 1.571, which led the field for the week. Was one shot off Nathan Green's 36-hole lead before a third-round 71 dropped him out of contention... Held the 54-hole lead at the inaugural Fry's Electronics Open before a final-round 74 left him T4, five shots behind eventual winner Mike Weir. Finish gave him his sixth top 10 of the season and pushed his earnings over the \$2-million mark for the second consecutive year. **2006:** Had a career year, with \$2,647,982 in earnings on the strength of a victory and six top-10s... Won the Memorial Tournament, his second career title. After winning first TOUR event (2005 Chrysler Championship) in 90th career start, needed only 16 subsequent events to earn second career TOUR win. Was just the fifth different international player to win at Muirfield Village Golf Club... Shot a 59 during a casual round with friends on June 21 at Treyburn CC in Durham, NC. Had 11 birdies and an eagle on the par-72 course... Recorded his first top-10 in 10 career major championship starts with a T8 at the British Open. **2005:** Closed the season on a high note, making his last eight cuts, including a win and a runner-up finish in his last two starts. As a result, earned the 2005 Fall Finish presented by PricewaterhouseCoopers title and its \$500,000 bonus... Notched his first TOUR victory at the Chrysler Championship in Palm Harbor. Won by one stroke over Chad Campbell at the Westin Innisbrook Resort-Copperhead Course. Became just the third Swedish player to win on TOUR, joining Jesper Parnevik and Gabriel Hjertstedt. **2004:** Won more than \$1 million for the first time in his career and posted a personal-best seven top-10s... T3 finish at the MCI Heritage... Ended the season with five top-10s in his last six starts. **2003:** Was just shy of earning \$1 million in his rookie season and finished in the top 75 on the money list... Lone top-10 occurred in fifth career TOUR start (second as a TOUR member), second behind Tiger Woods at Buick Invitational. Birdied final hole on Sunday to move into solo second. **2002:** Finished T21 at the PGA TOUR Qualifying

Tournament to earn his first TOUR card... Fulfilled the early promise he showed on the European Tour by winning the Algarve Open de Portugal in a playoff with David Gilford... Also held a share of the first-round lead in the British Open with a 67. Finished T43. **2001:** Made a bright start to his European Tour career, finishing T7 in the Carlsberg Malaysian Open, his first career start and outright second in the Open de Argentina, his sixth career professional start on the European Tour. **2000:** Won the European Amateur and represented Sweden in the Eisenhower Trophy before turning professional in September. **Amateur:** Won four tournaments while at North Carolina State, including the NCAA East Regionals event by four strokes, but was disqualified for signing for an incorrect scorecard... Prior to attending N.C. State, was two-time national junior college individual champion at Central Alabama Community College (1997-98).

PERSONAL:

Took up golf at age 10 near course where he lived in Gothenburg, Sweden... Father, Lars, a low-handicap golfer, was an executive for Volvo Trucks Division, resulting in Carl living in England between ages 10-14, then moving to Greensboro, NC, for his last two years of high school when his father was transferred. Was the 1996 state 4-A medalist for Grimsley High School. Now lives in Raleigh where he attended college.

Carded rounds of 73-69-65-68-275 to claim a one-shot victory over Peter Lonard. Spent that time on his computer while sitting in the players' dining room. Joined Roberto De Vicenzo, Jose Caceres and Angel Cabrera as the only Argentines to win on the PGA TOUR. PERSONAL:

Uses a pink shaft in his driver...Father started him in golf... Attended the same high school (Milton, FL) as current PGA

TOUR players Heath Slocum and Boo Weekley...Self-taught player who learned the game by hitting wiffle balls around his house. "The house had probably an acre and a half yard with big trees in downtown Bagdad (FL). The house is sitting here, and I drew in the dirt driveway. I'd draw a big circle, and that would be my hole, a 5-foot circle. I'd go around it to the left and then I'd go around it to the right. So I learned to cut it. If you know about wiffle balls or plastic balls, it's hard to cut. Then I learned to hook it the other way, hit it high over limbs, hit it low under limbs. I'd say non-stop every day from 6 to 12 years old. Instead of playing with trucks out in the yard, I'd play with a ball and a club."...Is using the same putter he has had since he first took up the game...Wife Angie is 6-foot-4 and a former University of Georgia, WNBA and European professional basketball player...Sponsors the Bubba Watson Invitational at the University of West Florida, a women's NCAA Division II golf tournament at Stonebrook Village Golf Course, Watson's home course in Pace, FL...Without letting family and friends know, completed requirements toward a degree at the University of Georgia in the summer of 2008, thereby validating his push for kids to stay in school.

T2—Valero Texas Open; 3—Zurich Classic of New Orleans; T6—Puerto Rico Open presented by Banco Popular.

2008 SEASON:

The left-hander was one of 14 rookies to come out of the 2007 PGA TOUR Qualifying Tournament. Tied for 14th at the finals, where a final-round 68 helped him move up from T25 position entering the last day...Rookie season had 17 made cuts in 29 starts, including three top-10 finishes...Collected the first top-10 of his PGA TOUR career with a T6 finish at the inaugural Puerto Rico Open...Finished third at the Zurich Classic after falling two-shots shy of winner Andres Romero. Was 5-under through 10 holes in his final round before recording pars on the last eight holes...Four rounds in the 60s (67-69-63-64) led to a career-best runner-up finish to Zach Johnson at the Valero Texas Open, worth a career-best \$336,000.

CAREER HIGHLIGHTS:

2007: Enjoyed a consistent year on the Nationwide Tour, making 23 cuts in 26 starts. Finished No. 49 on the money list, with \$133,222. Ended the season with 12 top-25s, but

managed to crack the top-10 on just two occasions. Began the year with a season-best T7 at the Movistar Panama Championship. Finished T9 at the Knoxville Open. **2006:** Made the cut in 13 of 25 starts on the Nationwide Tour in 2006, with five top-25s. Concluded the season No. 73 on the money list, with \$75,676. Went on to finish T19...Opened with a 7-under 64 to take sole possession of the first-round lead at the Preferred Health Systems Wichita Open before finishing T57. Shared the 54-hole lead with Ricky Barnes at the Oregon Classic, before finishing in third place — his only top-10 of the season — and just one shot out of the Barnes-Cliff Kresge playoff. **2005:** Made the cut in 12 of 25 starts during his rookie season on the Nationwide Tour, with four top-10s. Wrapped up the season No. 49 on the money list, with \$109,275. Would have entered the last round in Oregon three shots behind leader Jeff Gove before rain forced the shortening of the tournament. **2004:** Made six starts during the 2004 season, making the cut in two of those, a T5 at the Miccosukee Championship and T7 at the Knoxville Open. Made one start on the 2004 PGA TOUR, picking up \$29,820 with a T27 at the Buick Championship. Golf Course. Prevailed after he birdied the par-5 18th hole on Monday afternoon to complete an even-par 71 in an 18-hole playoff and tie Mediate to force sudden death, beginning on the par-4 seventh hole. Hit the green in regulation and two-putted on the dogleg right while Mediate, who was aiming to become the oldest U.S. Open champion at age 45, drove into a fairway bunker and then missed a 20-foot par putt. Shot a front-nine 30 (his back nine) to complete a second-round 68 and finished the third round with a 66-foot eagle putt on the par-5 13th hole, a chip-in birdie from the rough on the par-4 17th and a 35-foot eagle putt on the par-5 18th to take the third-round lead. Sank a 12-foot birdie putt on the 72nd hole to force the 18-hole playoff with Mediate at 1-under-par 283. The victory was his third in the U.S. Open, his 14th major championship and the 65th of his TOUR career, third alone behind Sam Snead (82) and Jack Nicklaus (73). He is 14-for-14 in majors when holding the third-round lead. The June 16 Official World Golf Ranking marked his 500th week atop the Ranking...Announced on Wednesday, June 18, two days after winning the U.S. Open, that he would have reconstructive surgery on the anterior cruciate ligament in his left knee and miss the remainder of the 2008 season. "My doctors assure me with the proper rehabilitation and training, the knee will be strong and there will be no long-term effects," Woods said. Also announced that pain in his leg during the U.S. Open resulted from a double stress fracture to his left tibia, which he suffered while rehabilitating the knee. Doctors say that injury will heal with time. Surgery was performed on Tuesday, June 24 in Park City, UT, by Dr. Thomas D. Rosenberg and Dr. Vernon J. Cooley, who did arthroscopic surgery on the same knee in April. Is expected to start playing again in early 2009.

Finished outside of the top 125 (No. 140) on the 2008 money list for the third time in the last five years. Recorded 17 made cuts in 29 starts. Made the cut on the number (3-under 137) at the Wyndham Championship in August, then posted matching career-low 7-under 63s on the weekend to finish in solo third place (his only top-10 finish of the year). In 2007, fought down the stretch to secure PGA TOUR card for 2008, notching top-25 finishes at the final two PGA TOUR Fall Series events. Carded an ace en route to a final-group pairing with Phil Mickelson and Padraig Harrington on Sunday at the Nissan Open, but finished T13 after a final-round 75. Climbed onto car after making ace (7-iron, 176 yards), which was later aired during Nissan commercials. Beem had watched Peter Jacobsen dive into a car after his ace in the Nissan Open 13 years prior. Among the leaders all week at The Barclays, but a closing 1-over 72 dropped him to T7. Made the biggest move in the PGA TOUR Playoffs for the FedExCup, improving 21 spots to 113th, gaining eligibility for the following week's Deutsche Bank Championship (top 120 qualified). Shared the 36-hole lead at the Deutsche Bank Championship, but closing rounds of 73-74 dropped him to T30 and a final ranking of No. 110 in the PGA TOUR Playoffs for FedExCup standings. Made the cut in all five starts during the Fall Series. Best finish was T20 at the Children's Miracle Network Classic, moving from No. 121 to No. 119 on season-long money list. With five-year PGA Championship exemption (2002), remained eligible for 2007 despite finish outside the top 125 on the 2006 money list. Finished T7 at the Ford Championship at Doral for first top-10. In 2005, picked up first top-10 on TOUR since a second at the 2003 Western Open with his T2 at the weather-shortened, 54-hole BellSouth Classic. Birdied two of the last three holes, including No. 18, to get into a five-way playoff with Phil Mickelson, Arjun Atwal, Brandt Jobe and Jose Maria Olazabal. Lost to Mickelson on the fourth extra hole. In 2004, did not post a top-25 for first time in six seasons. Collected his first top-10 of the 2003 season with a T10 at the Nissan Open. Finished T15 at the 2003 Masters Tournament, his first appearance at the season's first major. Finished second to Tiger Woods at the Western Open. Had a career year on TOUR in 2002, finishing seventh on the money list with season earnings of \$2,938,365 and gaining consecutive victories, including a major championship title at the PGA. Collected \$810,000 for winning The INTERNATIONAL, his second career victory, more than he had made in any of his previous three seasons on TOUR. Recorded 19 points on Sunday to come from three back of third-round leader Craig Barlow and defeat Steve Lowery by a stroke. Eagle on No. 17 offset Lowery's double eagle there later. In next start, won his first major title with a one-stroke victory over Tiger Woods at the PGA. Shared the lead through 36 holes with four other players and was three back of Justin Leonard playing in the final pairing on Sunday. With a 66, he became the first final-round, come-from-behind winner in a major since the 1999 British Open, when Paul Lawrie came from 10 back to win a playoff at Carnoustie. Eagled the 13th hole and made a 35-foot birdie putt on the 16th hole at Hazeltine National to hold off Woods. Opened the 2001 season with a bang in the first full-field event, finishing T9 at Touchstone Energy Tucson Open. Second top-10 came near the end of the season, a T7 at the Michelob Championship. His \$101,850 paycheck in Williamsburg, VA, secured a 2002 card. In 2000, made 13 cuts in 29 starts. Nominated for Rookie of the Year honors in 1999 after earning his first TOUR victory at the Kemper Open in only his 12th start on TOUR.

Opened with a 66 for a one-stroke lead, which he extended to three with a second-round 67. Third-round 71 left him tied for lead with Tommy Armour III. Closing 70 produced a one-stroke victory over Bradley Hughes and Bill Glasson worth \$450,000. Prior to winning Kemper Open, biggest first-place check was \$5,000 he earned for winning 1998 Conrad Hilton Open in Socorro, NM. Earned status on TOUR for the 1999 season with a T8 finish at the 1998 Qualifying Tournament in Palm Springs, CA. Played mini-tour events in the Sun Country PGA Section and was named Player of the Year after victories in Socorro and Truth Or Consequences. Member of the New Mexico State University golf team. Quit the game temporarily in 1995 and sold cellular phones and car stereo systems in Seattle. Watched fellow El Paso, TX, resident J.P. Hayes win 1998 Buick Classic and gained renewed interest. After finishing No. 129 on the money list in 2004, received a Major Medical Extension for 2005 due to chronic back problems. In 2002, continued comeback from annular tears of L-4 and L-5 discs in lower back that limited him to 12 events in 2001. Attributed lower-back injury to over-exuberance in off-season conditioning in 2001, with rest being the only cure. Became the first player to win in back-to-back weeks since former Stanford teammate Tiger Woods in 1999. Rebounded from five missed cuts in 10 starts with third career victory, a one-stroke win at the FedEx St. Jude Classic. Followed with second consecutive victory and fourth of career, by one stroke over Mark Calcavecchia at Canon Greater Hartford Open. That victory marked his fourth in 12 months. Father played in a business league while working for the Bureau of Indian Affairs. Notah would tag along for the twilight, nine-hole competition. After re-gaining card through the PGA TOUR Qualifying School, limited to eight events in 2007 due to fracture in right ankle suffered while playing golf in early March. Granted Major Medical Extension for 2008 as a result. After Mayakoba Golf Classic, did not play again until July at the U.S. Bank Championship, where he posted best finish of the season (T46). Last top-10, a T9, came at the 2000 Michelob Championship at Kingsmill. Had inconsistent 1999 season due to lingering back problem which had bothered him for several years and ended his streak of finishing in the top 125 at six seasons (1993-98). Earned second TOUR victory in 1998 Doral-Ryder Open while bothered by herniated disc which prevented him from practicing all week. Sank a 4-foot par putt on the 72nd hole for a one-stroke win. Enjoyed breakthrough season in 1996 with his first PGA TOUR victory and 20th-place finish on money list. Victory came at Buick Challenge. Opened with 66-68 to share 36-hole lead, then watched it rain for two days. After final two rounds were canceled, entered playoff with Fred Funk, John Maginnes, Davis Love III and Len Mattiace for title. Birdied first extra hole for victory and \$180,000. In 2005, lost playoffs to World No. 1 (Tiger Woods) and No. 2 (Vijay Singh). Lost in a playoff to Singh at the Shell Houston Open. Birdied final two holes of regulation to finish with a 5-under-par 67 to force playoff at 13-under-par. Hit tee shot on first playoff hole into lateral water hazard with 3-wood. Singh won the playoff with a par 4. Lost in a playoff for the second time, falling to Woods on the second extra hole at the American Express Championship at Harding Park in San Francisco. One stroke back of Colin Montgomerie through two rounds and one ahead of Montgomerie through 54 before finishing 72 holes tied with Woods. On second playoff hole, Daly missed a 3-foot par putt to end the playoff after a Woods tap-in par. Rebirth of career in 2004 started with first PGA TOUR victory since 1995, capped by first TOUR Championship appearance since rookie year in 1991. Most consistent season ever, with a career-best 17 made cuts in 22 starts. Won for the first time since the 1995 British Open with his playoff victory at the Buick Invitational, a span of 189 starts and 8 years, 6 months, 22 days between PGA TOUR wins. After winning the Buick Invitational, finished T4 at the Nissan Open, posting back-to-back top-10s in consecutive starts for the first time 2002. Added a third top-10 with a T10 at the Bay Hill Invitational. Finished runner-up to Vijay Singh at the Buick Open, moving into the top 50 in the Official World Golf Ranking (No. 57 to 36). Underwent surgery on his right heel on Sept. 30 to remove bone spurs. In 2003, fell to No. 171 with only one top-10 in 22 starts. Averaged a career-best 314.3 yards off the tee, but failed to win ninth consecutive Driving Distance crown. Rookie Hank Kuehne averaged 321.4 yards. Won the Kolon Korean Open on the Asian PGA Tour, first victory since the 2001 BMW International Open in Germany. In 2002, slipped from 61st to 112th on TOUR money list, but won his 11th Driving Distance crown with a record mark of 306.8 yards per drive. Daly's 11th category win surpassed the mark of Calvin Peete, who won 10 Driving Accuracy titles in his career. In 2001, had four top-10 finishes and placed 61st on the money list, his highest since 1995. Began the season ranked 507th in the Official World Golf Ranking and reached the top 50 by the end of the official PGA TOUR season. After holding 36-hole lead, fell to fourth with third-round 73. Appeared to have one-stroke victory after closing 71, but Costantino Rocca holed 70-foot putt from "Valley of Sin" short of 18th green. Daly won playoff by four strokes, thanks largely to Rocca's 7 at par-4 17th. Became youngest active player on TOUR with two major championship titles and fourth American at the time since World War II to win two majors before his 30th birthday, joining Jack Nicklaus, Tom Watson and Johnny Miller. After serving suspension early in 1994 season, earned third TOUR victory at BellSouth Classic. Grabbed lead with second-round 64, then withstood challenges of Nolan Henke and Brian Henninger. PGA TOUR rookie recorded his first career top-10 TOUR finish at the 2008 AT&T Pebble Beach National Pro-Am with a solo sixth. Posted rounds of 69-65 on the weekend to finish T8 at the Shell Houston Open. Finished the 2008 season with six top-25 finishes in 28 TOUR starts. Made the cut in 14 of 19 starts on the Nationwide Tour in 2007, with 10 top-25 finishes. Finished the season No. 5 on the money list, with \$331,542. In just his second career start on the Nationwide Tour, finished T6 at the HSBC New Zealand PGA Championship. Posted a then-career-best T4 at the Fort Smith Classic, posting a career-best, 8-under 62 to wind up two shots back of winner Jay Williamson. Shared the lead after the first and third rounds at the LaSalle Bank Open, but a 73 in the final round led to a T9 - his third top-10 showing of the year. Breakthrough performance came at the Legend Financial Group Classic, where a final-round 67 and a tournament-record 16-under-par 268 made him the youngest player to win a PGA TOUR-sanctioned event. At 19 years, 7 months, 26 days, he surpassed the previous youngest players to win on the two Tours, including Johnny McDermott's (19 years, 10 months) win at the 1911 U.S. Open and James Oh's (21 years, 5 months, 27 days) victory at the 2003 Mark Christopher Charity Classic. The win made Day the Tour's 20th different winner from Australia and his victory was the 30th overall by that group, also a Tour record. The win began a five-tournament stretch where he posted four top-five finishes, including a T5 at the Nationwide Children's Hospital Invitational, a runner-up effort at the Cox Classic and a third-place finish at the Xerox Classic. Of particular note was a weekend dual in Omaha with eventual winner Roland Thatcher. Shot scores of 62-63 (17-under par) but still finished one stroke behind Thatcher. His 125 total over the final two rounds equaled the lowest 36-hole score in Nationwide Tour history. It had been posted on three previous occasions. Played the front nine Saturday (28) and Sunday (29) at 13-under par. Was named the Tour's Player of the Month in July. Suffered a right wrist injury late in the 2007 season which forced him to sit out from early October till the end of the year. Made all seven previous career starts on the PGA TOUR in 2006, with strong showings at the Reno-Tahoe Open (T11) and the U.S. Bank Championship in Milwaukee (T13). Finished with five made cuts and \$174,508 in earnings. Played on the PGA TOUR of Australasia from 2004-05. Enjoyed plenty of success at the amateur level, highlighted by his win at the 2006 Australian Amateur Stroke-Play Championship. Decorated amateur career also includes titles at the Australian Junior Championship, World Junior Championship, Queensland Amateur Championship and the Queensland Medal Championship. Got his start in golf from his dad, who died when Jason was 12.

Posted a T4 at the EDS Byron Nelson Championship for his only top-10 and his first since finishing runner-up at the 2007 Fry's Electronics Open. Stood one shot behind 36-hole leader Adam Scott, but a third-round 73 derailed his title hopes. Ended the 2007 season by recording his only top-10 finish with a runner-up effort at the inaugural Fry's Electronics Open that earned his TOUR card for 2008. Second-round 61 was a career best and moved him from T80 to T2. Runner-up finish to Mike Weir marked his first top-five finish since the 2005 John Deere Classic (T4). His \$540,000 check moved him from 151st on the money list to 99th with \$969,731 in his final start of the season. Plagued by a nagging foot injury in 2006, fell out of the top 150 on the money list as he was limited to just 16 events. Injury stemmed from a car crash suffered earlier in the year. Consulted with Jose Maria Olazabal, whose career was nearly cut short in the 1990s due to foot problems, later diagnosed as back problem. In 2005, recorded top-10s in two majors (Masters and U.S. Open) and earned a berth on International Presidents Cup squad. In Masters debut and second career major championship start, posted first major top-10 with a T5. Along with Rod Pampling, led group of eight Australians that participated. In his U.S. Open debut two months later, finished T3, five strokes behind champion Michael Campbell. Won first TOUR title at the 2004 John Deere Classic and made first trip to THE TOUR Championship. Runner-up finish at BellSouth Classic, one stroke behind Zach Johnson. First TOUR victory came with a par 3 on the second playoff hole to beat John E. Morgan at the John Deere Classic. Posted rounds of 68-65-69-66—268, overcoming four-shot lead of Jose Caceres in the final round. Earned a career-best \$684,000. Became the 16th first-time winner in John Deere Classic history. Recorded an ace in the first round, becoming the first player since Jim Furyk (2002 Memorial Tournament) to post an ace and win in the same week. In first TOUR Championship appearance, finished T4 to jump to No. 40 in the Official World Golf Ranking. Made the cut in 17 of 23 events on the 2003 Nationwide Tour. Collected \$276,519 to finish No. 7 on the final money list. Earned his third career victory at the Henrico County Open. Posted a final-round 9-under 63 to finish regulation tied with Zach Johnson at 20-under-par. Birdied the first playoff hole for the victory. In 2001, his first season on TOUR, finished 186th on money list and recorded only top-10, a T9 at the Touchstone Energy Tucson Open, during his first event as a member. Second Nationwide Tour victory came during the 2000 season at the Carolina Classic. Defeated Manny Zerman on seventh extra playoff hole. In 1998, set tournament mark with 20-under 260 at Fort Smith Classic, his first Nationwide Tour victory. Winner of numerous other tournaments, including the 1996 Illinois Open by eight strokes and the 1994 Illinois State Amateur.

Added several more birdies on the back nine and pulled away down the stretch for the only wire-to-wire win on Tour in 2008. First-place check propelled him to No. 2 on the money list and sewed up his 2009 PGA TOUR card. Became second of four multiple winners on Tour (Jarrod Lyle, Scott Piercy, Matt Bettencourt). Concluded his four-tournament season with a missed cut at the Fry's Electronics Open. By turning pro, turned down invitations to play in the 2008 Masters, U.S. Open and British Open. Was ranked as the top amateur in the country when he turned pro. Was awarded the inaugural Mark H. McCormack Medal by the Royal & Ancient GC of St. Andrews in 2007. Earned all-conference, all-conference tournament and all-region honors at SMU. on TOUR since the 2000 Tampa Bay Classic. Made history in the first round of the 2001 Phoenix Open, recording an ace on the 333-yard, par-4 17th hole. Earned his first career win at the BMW Charity Pro-Am where he nearly went wire-to-wire. Posted rounds of 65-65 to grab the second-round lead. Third-round 68 put him at 17-under and one shot ahead. Three birdies in the first five holes of Sunday's final round gave him the cushion he needed. He was never challenged the rest of the way and won by three strokes over Roger Tambellini. First-place check of \$121,500 jumped him from No. 44 to No. 4 on the money list at the time. Also collected the keys to a BMW X5 for the win. One week after his victory, was T2 at the Melwood Prince George's County Open. Shared the 54-hole lead with three others and shot a 2-under 70 to finish one shot back of winner Jeff Klauk. Runner-up check pushed his season total over the \$223,000 mark and vaulted him to No. 1 on the money list. Followed a poor stretch of play, where he missed four cuts in six events, with a T8 at the Utah Championship, shooting 65 in the final round and creeping back into the top-10 on the money list. A T21 at the Nationwide Tour Championship at TPC Craig Ranch left him 14th on the final money list, with \$276,412. Ranked third in Putting for the year. Made the cut in 14 of 24 starts on the 2007 Nationwide Tour, including eight top-25 finishes. Finished the year No. 47 on the money list, with \$135,218. Has missed the cut in all five starts on the PGA TOUR, including most recently at the 2005 Bell Canadian Open. Member of the Canadian Tour from 2001-05. Playing on what turned out to be a broken foot, notched his first career win on that Tour at the 2005 Michelin Morelia Classic. Posted a final-round 64 to storm back from six shots down. The victory helped him finish a career-best fourth on the Tour's final money list. Has also won on the Tarheel Tour. Tour money list, with \$284,922. Collected his first top-10 finish of the season with a solo-third place effort at the rain-shortened HSBC New Zealand PGA Championship. Finished at 8-under 136, two shots shy of tournament victor Darren Stiles. Earned his second career win with a playoff victory over Chris Anderson at the \$1-million Nationwide Tour Players Cup. Posted an 8-under 64 to grab the first-day lead at the Pete Dye GC in West Virginia. Held the third-round lead and posted an even-par 72 to finish at 15-under 273. Needed only one bogey on the first extra hole to secure the win. His \$180,000 first-place check was the largest to date and propelled him from No. 46 to No. 3 on the money list. Win secured a spot in "The 25," allowing him to move onto the PGA TOUR in 2009 and avoid attempting to qualify via Q-school, which he has done 19 times. Was the July Player of the Month. Made the cut in 15 of 29 starts in 2007, with seven top-25 finishes. Ended the season No. 55 on the money list, with \$114,325. Had a hole-in-one on No. 11 during the first round of The Rex Hospital Open. Finished with a tournament-record 11-under-par 269 total at the Irondequoit CC and collected \$99,000. The first-place check helped him jump from No. 117 to No. 26 on the season money list at the time. Made the cut in 13 of 28 starts in 2004, including three top-25 finishes. Ranked No. 57 on the final money list, with \$104,008. Made the cut in 13 of 23 events on the 2003 Nationwide Tour. Wrapped up the season with \$70,307 and the No. 71 spot on the final money list. Made the cut in 14 of 23 starts on the 2001 Nationwide Tour, with four top-25 finishes. Made the cut in eight of 19 events in 2000, with two top-25 finishes, both T19 showings. Finished 14th on the 1999 TearDrop Tour money list. Won the 1999 New Bern Classic in North Carolina. Has 20 mini-tour wins. Qualified for the 1991 U.S. Open at Hazeltine in Minnesota. It was his first top-10 since finishing fourth at the 2007 Ginn sur Mer Classic at Tesoro. Recorded a hole-in-one on the par-3 second hole with a 4-iron from 204 yards in the second round and was only one stroke back after 36 holes. It was his 13th start at Annandale Golf Club and his fourth top-10 at the event. Competed in 25 tournaments on TOUR in 2007 and recorded one top-10 finish, 4th, at the inaugural Ginn sur Mer Classic. Marked his best finish on TOUR since a T3 effort at the 1996 Canon Greater Hartford Open. Regained PGA TOUR card for 2007 with a T29 finish at 2006 Qualifying Tournament, his fifth successful trip to the finals. Split 2006 season between TOUR (made six of nine cuts) and Nationwide Tour (13-19) earning one top-10, a T9 at the TOUR's U.S. Bank Championship in Milwaukee. Playing with partial status on TOUR in 2005, concentrated primarily on the Nationwide Tour. Made the cut in 13 of 25 starts on the Nationwide Tour, with four top-10s. Ended the year 37th on the money list with \$131,757. Notched a career-best finish on the Nationwide Tour with a T3 at the Henrico County Open. Only top-10 of the season came in October, a T5 at the Michelin Championship at Las Vegas. It was his best finish on TOUR since a fifth at the 1999 Motorola Western Open. Missed four months of the 2002 season due to an attack of gallstones and pancreatitis. Had to be fed through a tube for 2½ months and had his gallbladder removed. After T25 finish at the Touchstone Energy Tucson Open in late February, did not play again until late June at the Canon Greater Hartford Open. Won 1994 Federal Express St. Jude Classic in rookie season. A 20-foot putt on 72nd hole earned spot in playoff with Hal Sutton and Gene Sauers. Holed 25-foot birdie putt on first extra hole to win. Early in 1994, rescheduled his wedding day so it wouldn't conflict with Qualifying Tournament. That year's victory at Federal Express St. Jude Classic made qualifying unnecessary. Despite not playing golf as a freshman at Alabama, and not seeing any action as a sophomore walk-on, went on to become a two-time all-Southeastern Conference choice at Alabama. INFORMATION: A rookie on the PGA TOUR after placing 15th on the 2008 Nationwide Tour money list. Earned his first top-10 of the year with a third-place finish at the Athens Regional Foundation Classic. Started the final round five shots back of the leaders and posted a 67 to move within one shot of a playoff between Robert Damron and Greg Owen. Also finished third at the Bank of America Open, where a four-day total of 13-under 275 left him just three strokes behind champion Kris Blanks. The finish in Chicago was his sixth top-20 in his last eight starts of the season. Held a one-stroke lead over Justin Hicks entering the final round of the Ford Wayne Gretzky Classic, but a bogey on the 71st hole—combined with a birdie by Hicks—led to a tie at 17-under. Despite losing in the playoff, he cashed a check for \$86,410. Four sub-70 rounds earned him a T6 at the Cox Classic. Shot 64 in the second round of Nationwide Tour Championship at TPC Craig Ranch and finished T25. Earned \$271,919 for 15th position on the final money list. Played in the Viking Classic on the PGA TOUR on a sponsor's exemption and posted a 3-under 69 Sunday to finish a career-best T4. His previous best effort on TOUR (in 25 career starts) was a T13 finish at the 2004 Masters Tournament when he was an amateur. With his top-10 finish in Madison, he earned a spot in the field at the next TOUR full-field event, the Turning Stone Resort Championship, where he finished T43. His T13 finish at the 2004 Masters, with even-par 288, was the lowest finish by an amateur at the Masters since Charlie Coe's ninth-place effort in 1962. Was T36 that season in the U.S. Open. Described the week in the following way, "Every move I made was a dream come true." The week before making his second Ryder Cup appearance, won the Mercedes-Benz Championship in Germany on the European Tour for his first victory in two years. Followed with a 1-1-2 record at the Ryder Cup, including a Singles victory over Justin Leonard. Won the Alfred Dunhill Links title in early October. A T32 at Valderrama in the Volvo Masters was good enough to maintain his top position against main challengers Padraig Harrington and Lee Westwood. Two titles in 2006 made Karlsson Sweden's most prolific champion, surpassing the record of Anders Forsbrand. Karlsson took his victory tally to seven with a win in the Deutsche Bank Players' Championship of Europe. That followed an earlier win in the Celtic Manor Wales Open. Joined the European Tour in 1991 and won his first five titles between 1995 and 2002. In 2003 he decided to make a fresh start after years of feeling frustrated with both his game and life situation. Since then has worked hard with his attitude, as he has become more relaxed and content both on and off the course. His work with his Swedish coach, Annchristine Lundstrom, has helped enormously and he credits her for the hints she has given him to fully start taking personal leadership. "I never thought that this day would come, where I could play up to seven weeks in a row and really enjoy every round," Karlsson said. "There are many reasons why I feel this way. One of them is the incredible love and support I get from my wife." At 6-5, one of the tallest players in golf. Son of a superintendent. In December, teamed with Henrik Stenson for Sweden to win the OMEGA Mission Hills World Cup in China.

Mercedes-Benz Championship

NOTES

Defending champion **Vijay Singh** carded a final-round 70 en route to a T12 finish in 2008 and has shot under par in 30 of his last 36 rounds at Kapalua.

VIJAY SINGH

Jim Furyk's T5 finish gave him his sixth top-10 finish at the Mercedes-Benz Championship since the event moved to Kapalua in 1999. He has tied **Tiger Woods** for second on the top-10 list since the event moved from California, two shy of **Vijay Singh**, who has eight.

The 2009 tournament date, January 8-11, marks one of the latest dates for the season-opening event since it moved to the beginning of the PGA TOUR schedule in 1986. The latest start to a season with the Mercedes-Benz Championship as the first tournament was 1988 when the tournament ended on January 17.

The Plantation Course at Kapalua was the only par-73 course on the 2008 PGA TOUR. In 2007, The Plantation Course and the Tesoro Club, site of the Ginn sur Mer Classic at Tesoro, were the only par-73 courses. The Plantation Course has three par 3s, four par 5s and 11 par 4s.

On January 11, 2004, **Davis Love III** hit a wind-aided 476-yard drive on the downhill 18th hole at The Plantation Course at Kapalua in the final round of the Mercedes-Benz Championship. It is the longest drive in PGA TOUR history.

SECTION 3 TOURNAMENT HISTORIES

Bob Hope Classic hosted by Arnold Palmer

NOTES

With **Justin Leonard** failing to carry the fourth-round lead on to victory in 2008, the 72-hole leader has won the BHCC just 21 times in 49 tries.

Johnny Miller is the only player to win back-to-back Bob Hope Chrysler Classics, doing so in 1975 and 1976. 2007 champion **Charley Hoffman** finished T8 in his title defense, the best effort by a defending champion since 2002 champion **Phil Mickelson** finished T6 in 2003. In all, winners of the BHCC have posted 12 top-10 finishes in their title defense, but just five in the past 32 years.

Fred Couples moved into second on the BHCC all-time cuts-made list with his T56 finish in 2008. He has made the cut 22 times at the BHCC (just two behind **Peter Jacobsen**), with his only missed cut coming in 1999.

Arnold Palmer (1960) and **Charley Hoffman** (2007) are the only players to win the Bob Hope Chrysler Classic in their initial try.

There have been 17 playoffs in the 49-year history of the Bob Hope Chrysler Classic. The last included eventual winner **Charley Hoffman** and **John Rollins** in 2007.

A player has reached the 30-under mark only 11 times at this tournament, including two players who have reached the mark twice, **Phil Mickelson** (30-under/2004, 30-under/2002) and **Mark Calcavecchia** (30-under/2001, 32-under/1997). The others were **Skip Kendall** (30-under/2004), **Mike Weir** (30-under/2003), **David Berganio, Jr.** (30-under/2002), **Joe Durant** (36-under/2001), **Paul Stankowski** (32-under/2001), **John Cook** (33-under/1997) and **Tom Kite** (35-under/1993).

FBR Open

NOTES

2008 marked the second time that the FBR Open and the Super Bowl were held on the same week in the Scottsdale/Phoenix area. Super Bowl XLII was held at University of Phoenix Stadium. Super Bowl XXX was contested in Sun Devil Stadium in 1996, the same week of the Phoenix Open when **Phil Mickelson** beat **Justin Leonard** in a playoff.

2008 marked the 22nd consecutive year the FBR Open was contested at TPC Scottsdale. Aside from the TPC Sawgrass (27 years), TPC Scottsdale has the longest continuous stretch a Tournament Players Club has hosted a PGA TOUR event. The 2008 season also marked the 73rd playing of the FBR Open, making it one of the five longest-running events on the PGA TOUR (outside of the majors).

With a birdie-3 on the first playoff hole **J.B. Holmes** defeated **Phil Mickelson** to capture the 2008 FBR Open. It represented the 13th playoff at the FBR Open and the first since Mickelson defeated **Justin Leonard** in 1996. It was Holmes' first career playoff appearance, while Mickelson fell to 7-3 in extra sessions.

J.B. Holmes (2006, 2008) became the first player to notch his first two career victories at the same tournament since **Vaughn Taylor** won the 2004 and 2005 Reno-Tahoe Open. Since 1960, eight players have performed the feat:

Hale Irwin 1971, 1973

Sea Pines Heritage

Dave Eichelberger 1971, 1977

Greater Milwaukee Open

Calvin Peete 1979, 1982

Greater Milwaukee Open

Loren Roberts 1994, 1995

Bay Hill Invitational

Brian Henninger 1994, 1999

Southern Farm Bureau Classic

Vaughn Taylor 2004, 2005

Reno-Tahoe Open

AT&T Pebble Beach National Pro-Am

NOTES

The AT&T Pebble Beach National Pro-Am has not been historically kind to players seeking their first PGA TOUR title. Only five players since 1970 (and two since 1993) have made the AT&T their first win on the PGA TOUR: **John Cook** (1981), **Steve Jones** (1988), **Brett Ogle** (1993), **Matt Gogel** (2002) and **Arron Oberholser** (2006).

ARRON OBERHOLSER

Pebble Beach Golf Links, the host course for the AT&T Pebble Beach National Pro-Am, is the second-shortest course on the PGA TOUR, at 6,816 yards. Only Brown Deer Park Golf Course, the site of the U.S. Bank Championship in Milwaukee, is shorter at 6,759 yards. Pebble Beach is a par-72 course, while Brown Deer Park is par 70. The par-3 seventh hole at Pebble Beach, which measures 107 yards, is the shortest par 3 on TOUR.

The PGA TOUR and the Monterey Peninsula Foundation Inc. announced last year that AT&T has extended the title sponsorship of the AT&T Pebble Beach National Pro-Am through 2014. AT&T has been the title sponsor of the tournament since 1986.

Because it uses three golf courses, the field for the AT&T Pebble Beach National Pro-Am is the largest on the PGA TOUR, with 180 players.

Northern Trust Open

NOTES

Phil Mickelson won for the 11th time in the state of California and the first time at Riviera Country Club. Mickelson's victories in California include: Buick Invitational (3: 1993, 2000, 2001); AT&T Pebble Beach National Pro-Am (3: 1998, 2005, 2007); Mercedes-Benz Championship (2: 1994, 1998); Bob Hope Chrysler Classic (2: 2002, 2004) and Northern Trust Open (1: 2008)

2009 marks the 83rd playing of the Northern Trust Open. Outside the major championships, the tournament is the fourth-oldest event on the PGA TOUR (BMW Championship, RBC Canadian Open and Valero Texas Open are older).

Tiger Woods has made 11 starts at the Northern Trust Open without a victory. It is the most starts at any tournament without a victory for him. Woods finished T13 in 2005 and withdrew after two rounds in 2006 because of the flu. The next closest is The Barclays, which he has played four times without a win.

The Honda Classic

NOTES

Ernie Els carded a final-round 67 in 2008, which tied the low round for the day, en route to capturing The Honda Classic title by one shot over **Luke Donald**. The victory marked the largest final-round comeback for Els after he began Sunday's final round trailing **Mark Calcavecchia**, **Luke Donald** and **Matt Jones** by three strokes. Here is a list of Els' victories when he entered the final round trailing the leader:

Year	Tournament	Deficit	Final Rd.	Result
1997	U. S. Open	trailed by 2	shot 69	won by 1
1999	Nissan Open	trailed by 2	shot 68	won by 2
2000	The International		won	
2003	Sony Open	trailed by 2	shot 67	won in playoff
2004	Sony Open	trailed by 1	shot 65	won in playoff
2008	The Honda Classic	trailed by 3	shot 67	won by 1

Ernie Els' victory was his first since the 2004 World Golf Championship-American Express Championship, a span of 49 PGA TOUR events and 3 years, 4 months and 29 days. It was also Els' first victory in America since the Memorial Tournament in 2004, a span of 56 PGA TOUR events and 3 years, 8 months and 26 days.

Ernie Els became the 10th Honda Classic champion in a row to win by two shots or less. The last Honda Classic winner to claim the title by a margin of three shots or greater was **Mark Calcavecchia** in 1998.

Third-round co-leader and PGA TOUR rookie **Matt Jones** was one stroke behind **Ernie Els**, who had completed play at 6-under par, when his hopes for a title were dashed as his tee shot found the water at the par-3, 17th hole. Jones made a double bogey 5 and wound up tied for 4th, three back of Els.

Arnold Palmer Invitational

presented by MasterCard

NOTES

Tiger Woods earned his 64th career PGA TOUR victory at age 32 years, 2 months and 17 days in his 233rd (219th professional) career start on TOUR. The 64 victories tied **Ben Hogan** for third all-time on the PGA TOUR. The victory also marked **Tiger Woods'** fifth consecutive PGA TOUR victory.

Tiger Woods became the first player to win five Arnold Palmer Invitational titles in 2008. The only other players with multiple victories at the event are **Tom Kite** (1982 and 1989) and **Loren Roberts** (1994-95).

Tiger Woods won the tournament with a birdie on the 18th hole on Sunday. Since 1983 when the PGA TOUR began compiling hole-by-hole statistics, the winner of the Arnold Palmer Invitational has made birdie there on Sunday two other times (**Payne Stewart** in 1987 and **Tiger Woods** in 2001). In 2001, the Woods birdie gave him a one-stroke win over **Phil Mickelson**.

Tiger Woods won the Arnold Palmer Invitational when he sank a putt of 24 feet, 2 inches on the 72nd hole to beat **Bart Bryant** by a stroke. In the ShotLink era, three players have won a PGA TOUR event by one stroke after making a putt of at least 24 feet on their final hole of play – **Padraig Harrington**

Harrington at the 2005 Barclays Classic (65 feet 7 inches for eagle), **Vijay Singh** at the 2004 HP Classic of New Orleans (26 feet 8 inches for birdie) and **Spike McRoy** at the 2002 B.C. Open (31 feet 1 inch for birdie).

2008 World Golf Championships— CA Championship

NOTES

Geoff Ogilvy's attempt to become the first player on the PGA TOUR to win a golf tournament without recording a bogey since **Lee Trevino** won the 1974 Greater New Orleans Open ended on the seventh hole of the final round in 2008, snapping a streak of 60 holes without a bogey. It was Ogilvy's only bogey of the tournament.

Geoff Ogilvy became the third player to win multiple World Golf Championships events. Ogilvy won the 2006 World Golf Championships-Accenture Match Play Championship. Ogilvy joined **Darren Clarke** (2) and **Tiger Woods** (15) as the only three players to win multiple World Golf Championships events.

Geoff Ogilvy earned his fourth career PGA TOUR victory at age 30 years, 8 months and 12 days in his 178th career start on TOUR.

Tiger Woods had birdied or eagled the 529-yard, par-5 first hole at the Doral Golf Resort & Spa's Blue Course 18 consecutive times before he posted a par on the hole in the third round in 2008. After a birdie in the final round last year, Woods has birdied or eagled the hole 21 of the 24 times he has played it, including two eagles, 19 birdies and three pars. Before his third-round par last year, the last time Woods parred the hole was during the final round of the 1998 Doral-Ryder Open.

NOTES

No player managed to post four rounds in the 60s at the 2008 Zurich Classic of New Orleans. In 2007, **Nick Watney** became the first Zurich Classic of New Orleans winner to post all four rounds in the 60s (69-67-68-69) since **Carlos Franco** turned the trick in 2000 when he posted scores of 67-67-68-68 at English Turn Golf and Country Club. Watney is the only player to post all four rounds in the 60s at the TPC Louisiana course.

**NICK WATNEY**

In his first start in New Orleans in 2008, **Andres Romero** won by a stroke over **Peter Lonard**. Romero had previously finished T17 at the World Golf Championships-Accenture Match Play Championship and T30 at the World Golf Championships-CA Championship. His previous best finish on the PGA TOUR came in 2007 when he tied for third at the British Open.

Padraig Harrington, who made his third start at the Zurich Classic of New Orleans in 2008, finished T4 at TPC Louisiana. The Ireland native has done well in the Crescent City. He finished T9 in 2005 the first year that the event was played at the TPC Louisiana. In 2006, when the event moved back to English Turn for one year due to Hurricane Katrina, he finished T11.

Shell Houston Open

NOTES

The victory for 28-year-old **Johnson Wagner** in 2008 earned him his first ticket to the Masters Tournament, where he would eventually finish T36. The odds were stacked against him collecting a Green Jacket, however. Since 1934, only 10 players have won the tournament before a major championship and then claimed one of the game's top prizes. The last to do so was **Tiger Woods** with his wins at the 2007 World Golf Championships-Bridgestone Invitational and the PGA Championship.

Johnson Wagner's victory in 2008 snapped a string of four consecutive international winners at the Shell Houston Open, including Fiji's **Vijay Singh** in 2004-05, Australia's **Stuart Appleby** in 2006 and Australia's **Adam Scott** in 2007. Wagner's victory was just the third by an American at the tournament since 1999 (**Hal Sutton** in 2001 and **Fred Couples** in 2003).

Johnson Wagner became the first first-time winner of the Shell Houston Open since **Robert Allenby** in 2000 and the 13th overall.

No players managed to record all four rounds in the 60s at the 2008 Shell Houston Open. Throughout the last 15 years of the tournament (dating back to 1994), just four players have achieved the feat, including 1994 winner **Mike Heinen**, 2002 champion **Vijay Singh**, 2003 winner **Fred Couples** and 2006 victor **Stuart Appleby**.

Verizon Heritage

NOTES

Boo Weekley's three-stroke win in 2008 was the largest at the Verizon Heritage since **Davis Love III** won by seven shots in 1998.

DAVIS LOVE III

Boo Weekley became the first player to post his first two victories at the same PGA TOUR event since **J.B. Holmes** won the FBR Open earlier in the 2008 season (2006, 2008). Prior to Weekley and Holmes, the last players to perform the feat were **Vaughn Taylor** (2004 and 2005 Reno-Tahoe Open) and **Brian Henninger** (1994 and 1999 Southern Farm Bureau Classic).

Davis Love III has made 23 consecutive starts at the Verizon Heritage. In addition to his wins in 1987, 1991, 1992, 1998 and 2003, he has six additional top-10 finishes for a tournament-record 11.

Two-time champion **Stewart Cink's** (2000, 2004) T7 finish in 2008 was his fifth top-10 finish in nine starts at the Verizon Heritage.

Boo Weekley is the eighth player to win the Verizon Heritage multiple times, joining **Davis Love III** (5), **Hale Irwin** (3), **Johnny Miller** (2), **Hubert Green** (2), **Stewart Cink** (2), **Tom Watson** (2) and **Payne Stewart** (2).

Boo Weekley's second victory at the Verizon Heritage came in his second appearance at the tournament. He is the first player to win the event in his first two starts at Harbour Town Golf Links.

CHAMPIONSHIP

NOTES

Adam Scott birdied the third extra hole in 2008 from 48 feet to edge **Ryan Moore** in the 19th playoff at the EDS Byron Nelson Championship – and the first since **Sergio Garcia**'s victory in 2004. Scott's only other playoff appearance came at the 2005 Nissan Open, when he edged **Chad Campbell** to post an unofficial victory at the 36-hole event.

The win by **Adam Scott** (27 years, 9 months, 11 days) was the sixth of his career and made him just the third Australian to win the EDS, joining **Bruce Devlin** (1969) and **Peter Thomson** (1956).

Luke Donald has finished in the top 20 at the EDS Byron Nelson Championship six consecutive seasons (T19 in 2008, 2nd in 2007, T6 in 2006, T18 in 2005, T14 in 2004 and T19 in 2003). During his seven starts here, he has posted 20 of 26 rounds in the 60s, including two in 2008 (72-68-68-73).

Adam Scott's 7-under 273 winning score in 2008 was the highest at the EDS Byron Nelson Championship since **Craig Stadler**'s 276 winning total in 1984.

LUKE DONALD

Adam Scott (68-67-67-71) became just the fourth champion of the EDS Byron Nelson Championship in the last 14 years who failed to record all four rounds in the 60s. The others were **Brett Wetterich** (2006), **Sergio Garcia** (2004) and **Jesper Parnevik** (2000).

Tournament Record:

262, Loren Roberts, Steve Pate, 1999

Current Course Record:

61, Billy Mayfair, 1993; Charlie Rymer, 1996; Justin Leonard, 2001 (TPC Los Colinas)

THE PLAYERS Championship

NOTES

Sergio Garcia's playoff victory in 2008 over **Paul Goydos** ended what was the longest playoff drought on the PGA TOUR. Prior to his win, the last playoff at THE PLAYERS Championship came in 1987 when **Sandy Lyle** beat **Jeff Sluman** with a par on the third playoff hole. The Garcia-Goydos playoff began on the par-3 17th hole, where Garcia two-putted for par after Goydos' tee shot fell short into the water. The Lyle-Sluman playoff began on the par-5 16th and continued on to the 17th and Lyle won with a par on the par-4 18th.

PAUL GOYDOS

At the end of the 2008 tournament, only four players were able to finish the tournament with an under-par score. This is the second-fewest number of players to do so in a single year since the tournament moved to TPC Sawgrass in 1982 (1999: Two players finished under par).

Sergio Garcia of Spain joined 1987 champion **Sandy Lyle** of Scotland as the only European-born players to win at THE PLAYERS Championship.

Sergio Garcia joined **Tiger Woods** (2000-2001) as the only player to finish runner-up at THE PLAYERS one year and win the tournament the next.

NOTES

Since making the cut in 2003 but finishing at 9-over (tied for 74th), 2008 AT&T Classic champion **Ryuji Imada** has been 45-under in his last 15 rounds (excluding the two playoff holes in 2007 and this year). In his last 12 rounds, he's had 62 birdies and one eagle.

Crowne Plaza Invitational at Colonial

NOTES

Phil Mickelson carded a final-round, 2-under-par 68 to capture the 2008 Crowne Plaza Invitational at Colonial by one stroke over **Rod Pampling** and **Tim Clark**. Mickelson birdied the final hole of regulation for his one-stroke victory. The last time he birdied the final hole to win was the 2005 PGA Championship. With his second victory of the 2008 season, Mickelson became the only player to record multiple wins in each of the past five seasons.

TIM CLARK

Phil Mickelson joined **Ben Hogan** (1947), **Sam Snead** (1950) and **Bill Casper** (1968) as the only players to win the Northern Trust Open and the Crowne Plaza Invitational at Colonial in the same season.

Phil Mickelson elected to have five wedges in his bag at last year's Crowne Plaza Invitational and it paid off with some great short-game numbers.

presented by Morgan Stanley

NOTES

2008 winner **Kenny Perry** became the oldest winner in Memorial Tournament history (47 years, 9 months, 22 days old), more than a year older than **Tom Watson** when he won in 1996 at 46 years, 8 months, 28 days. Perry was also the oldest winner on TOUR in 2008.

Kenny Perry won the 2008 Memorial Tournament with an 8-under par total, the highest winning score at the event since 1985 when **Hale Irwin** won at 281 (-7).

The winner's check of \$1,080,000 made **Kenny Perry** the all-time earnings leader for the Memorial Tournament with \$3,092,542, moving him past **Tiger Woods** with \$2,763,148.

TIGER WOODS

The Memorial Tournament has the distinction of having the longest active playoff drought on the PGA TOUR. THE PLAYERS Championship held that distinction until earlier in the 2008 season when **Sergio Garcia** defeated **Paul Goydos** in a sudden-death playoff, breaking a no-playoff streak from 1987. The Memorial Tournament has not had a playoff since 1992 when **David Edwards** defeated **Rick Fehr** with a par on the second playoff hole. The Buick Open is next, which hasn't had a playoff since 1995.

U.S. Open

NOTES

Heath Slocum's final-round, bogey-free 65 was the lowest round in a U.S. Open since **Vijay Singh** posted a 63 in the second round of the 2003 U.S. Open at Olympia Fields. **Nick Price** also had a 65 that day on the par-70 layout.

Rocco Mediate was the only player in the field who did not go above par at any point of the tournament during the 72 holes of regulation at Torrey Pines.

ROCCO MEDIATE

Tiger Woods' 14th major professional victory in his 46th career professional major start is second all-time to the 18 of **Jack Nicklaus**. Nicklaus won his 14th major in his 56th professional major start at the 1975 PGA Championship and his 15th in his 67th start at the 1978 British Open, almost three years after his 14th major victory.

Tiger Woods owns three U.S. Open titles in 14 starts (1995-2008). His wins came in 2000, 2002 and 2008. He also finished fifth in 1999 and 2007. Woods is tied with **Hale Irwin** with three victories. Four players own four victories: **Willie Anderson** (1901, 1903, 1904, 1905), **Bobby Jones** (1923, 1926, 1929, 1930), **Ben Hogan** (1948, 1950, 1951, 1953) and **Jack Nicklaus** (1962, 1967, 1972, 1980).

Buick Open

Buick® Open

NOTES

Kenny Perry carded a final-round 66 in the Buick Open and survived near misses at the 72nd hole from **Woody Austin** and **Bubba Watson** to capture his second title at Warwick Hills G&CC. The win was the 11th of Perry's PGA TOUR career and his second of the three during 2008 season.

Kenny Perry's second win at the Buick Open marked the third tournament at which he has multiple victories: the Memorial Tournament (1991, 2003, 2008), Buick Open (2001, 2008) and Crowne Plaza Invitational at Colonial (2003, 2005).

Woody Austin three-putted the 72nd hole to fall one stroke shy of **Kenny Perry** and record his second consecutive T2 finish at the Buick Open. Austin joined **Doug Tewell** (1988-89), **Johnny Pott** (1965-66) and **Dow Finsterwald** (1963-64) as the only players in tournament history to record back-to-back runner-up finishes.

WOODY AUSTIN

At 47 years, 10 months and 19 days, **Kenny Perry** became the oldest winner in Buick Open history. The previous oldest winner was **Julius Boros** (1967) at age 47 years, 3 months, 8 days.

Kenny Perry (2001 and 2008) became the fifth multiple winner of the Buick Open following **Vijay Singh** (3), **Julius Boros** (2), **Tony Lema** (2) and **Tiger Woods** (2).

Kenny Perry's 2008 win marked the third time out of his 11 victories that he has come from behind in the final round to win. The others were the 1994 New England Classic and the 2008 Memorial Tournament.

Tournament Record:

262, Robert Wrenn, 1987

John Deere Classic

NOTES

2008 John Deere Classic champion **Kenny Perry** entered the 2008 John Deere Classic trailing **Phil Mickelson** by seven points on the 2008 FedExCup points list. With his win and the 4,500 points, he moved into the No. 2 spot on the points list and became the first player other than **Phil Mickelson** or **Tiger Woods** to sit in the top two since **J.B. Holmes** was second following the Northern Trust Open in February.

With a final-round score 69 at the 2008 John Deere Classic, **Jay Williamson** earned and accepted a spot in the following week's British Open (T39). Since Williamson and **Brad Adamonis** (70) tied for second place at the 2008 John Deere Classic, the players' final-round scores were used to determine who would get the invitation.

Last year's John Deere Classic playoff was the eighth playoff of the 2008 PGA TOUR season and the seventh in John Deere Classic history. The last playoff at this event came in 2004 when **Mark Hensby** defeated **John E. Morgan** on the second playoff hole to win his only TOUR title.

MARK HENSBY

For the 33rd consecutive year, the winning score at the 2008 John Deere Classic was in double digits. The winning score has failed to reach double digits only twice times in the event's 38-year history:

1975: **Roger Maltbie** 74-65-72-64—275 (5-under)
1972: **Deane Beman** 72-69-71-67—279 (5-under)

Tournament Record:

259, David Frost, 1993 (Oakwood CC)

Current Course Record:

61, J.P. Hayes, 2002

Other Course Record:

61, Mike Smith, 1987 (Oakwood CC)

British Open

NOTES

Padraig Harrington became the 26th player to record multiple British Open titles. **Harry Vardon** leads the list with six wins, followed by **James Braid, J.H. Taylor, Peter Thomson** and **Tom Watson** with five each.

Greg Norman's T3 finish in 2007 was his 30th career top-10 finish in a major championship – and his first since a sixth-place finish at the 1999 British Open. His best outing in a major since finishing third at the 1999 Masters was good enough to earn a trip back to Augusta in 2009 (top four and ties qualify).

Chris Wood's fifth-place finish was just the third top-10 finish by an amateur in a major championship since 1970. The others were **Justin Rose** (T4 at Royal Birkdale in 1998) and **Jim Simons** (T5 at the 1971 U.S. Open).

JUSTIN ROSE

Padraig Harrington's 3-over winning score in 2008 was the highest at the British Open since **Paul Lawrie** won with a 6-over total in 1999.

British Open

NOTES

Jim Furyk began his career at the British Open with five consecutive made cuts (including three top-10 finishes and a T4 at Royal Birkdale in 1998), but then missed the cut in his next five starts (2001-05). He has since reeled off three made cuts, including a fourth-place effort in 2006, T12 in 2007 and T5 at Royal Birkdale in 2008.

Ernie Els struggled to a 10-over 80 in the first round in 2008, representing his worst score in 70 rounds at the British Open. His previous highest score was a 78 during the opening round in 2003 at Royal St. George's. He fought his way back, however, to a T7 finish – his 13th top-20 finish at the British Open in 18 appearances.

ERNIE ELS

While Royal Birkdale hosted its ninth British Open last year, Turnberry will be the site of the 2009 Open for the fourth time. The list of courses which have hosted the esteemed event more than once includes St. Andrews (27 times), Prestwick (24), Muirfield (15), Sandwich (13), Hoylake (11), Royal Lytham (10), Royal Birkdale (9), Royal Troon (8), Musselburgh (6), Carnoustie (7), Turnberry (3) and Deal (2).

RBC Canadian Open

NOTES

Chez Reavie won the 2008 RBC Canadian Open in his first start at the event, becoming the first player to do so since **Jerry Pate** in 1976 at Essex G&CC. Reavie became the eighth (of 12) first-time winners on the PGA TOUR in 2008.

With his 2008 RBC Canadian Open win, **Chez Reavie** was one of four rookies to win, joining Zurich Classic of New Orleans winner **Andres Romero**, Turning Stone Resort Championship winner **Dustin Johnson** and Justin Timberlake Shriners Hospitals for Children Open winner **Marc Turnesa**.

Two-time defending champion **Jim Furyk** fell short in his bid to become the first player to win the RBC Canadian Open three consecutive times. Furyk shot a final-round 70 and tied for 14th.

JIM FURYK

Glen Day posted weekend rounds of 64-68 at the 2008 RBC Canadian Open to finish the tournament tied for eighth. It was the first top-10 finish for the 42-year old since he tied for fifth at the 2006 Southern Farm Bureau Classic – a span of 39 starts.

Canadian favorite **Mike Weir** birdied the final hole of the 2008 RBC Canadian Open for a 2-under 69 that put him into a tie for fifth. Weir's finish was the best by a Canadian in this event since he finished second at Glen Abbey GC in 2004.

PGA Championship

NOTES

Padraig Harrington recorded a final-round 66 in the 90th PGA Championship to claim his third major championship title and the second of 2008 with a one-shot victory over **Sergio Garcia** and **Ben Curtis**.

With his win, **Padraig Harrington** became the 18th different player to win two major professional championships in a single season.

With his T2 finish, **Sergio Garcia** joined **Jack Nicklaus** (1974) as the only players to win THE PLAYERS Championship and finish runner-up in the PGA Championship in the same season.

Three American-born players finished in the top 12 of the 2008 PGA Championship: **Ben Curtis** (T2), **Steve Flesch** (6th) and **Phil Mickelson** (T7).

Padraig Harrington's win marked the first time since 1994 that at least two of the four major championships have not been won by American players (1994: **Jose Maria Olazabal**, Masters; **Ernie Els**, U.S. Open; **Nick Price**, British Open, PGA Championship).

The Barclays

NOTES

Vijay Singh's playoff victory over **Sergio Garcia** and **Kevin Sutherland** in 2008 marked the 14th in the history of The Barclays and the 10th playoff of the 2008 PGA TOUR season. Singh made birdie on the second playoff hole, the par-5 17th, to beat Garcia after Garcia and Singh made 27- and 26-foot birdie putts, respectively, on the first playoff hole, the par-4 18th. The win was Singh's third playoff victory at The Barclays (3-0). He defeated **Mark Wiebe** in 1993 on the third hole of a playoff and defeated **Doug Martin** in 1995 on the fifth hole.

**KEVIN
SUTHERLAND**

The 2009 Barclays will be played at Liberty National Golf Club in Jersey City, NJ. The course, designed by **Tom Kite** and **Bob Cupp**, is the closest private golf course to Manhattan. The par 70, 7,458-yard course is located across the Hudson River from Manhattan and the 18th green is less than 1,000 yards from the Statue of Liberty. The rotation for The Barclays for 2010 and beyond will be announced at a later time. Under the terms of the contract with Westchester Country Club, The Barclays will return at least once to the former site by 2012.

Vijay Singh recorded his fourth win at The Barclays (1993, 1995, 2006, 2008) in 16 starts. No other player has won the event more than twice. He has eight top-10 finishes at The Barclays, which is tied for second all-time with **Fred Couples**, **Tom Kite** and **Tom Watson**. **Jack Nicklaus** is first with nine.

NOTES

The 2009 BMW Championship returns to a renovated Cog Hill Golf and Country Club in Lemont, IL, the site of the tournament from 1991-2007. **Rees Jones** just completed a renovation of the course, which will be the site from 2009-2011. Crooked Stick Golf Club in Carmel, IN, will be the site in 2012.

The first round of the 2008 BMW Championship was postponed due to heavy rain as nearly four inches of rain fell during the day. The postponement was the first round completely wiped out by weather since the 2005 BellSouth Classic where there was no play on Thursday or Friday. The Atlanta finish eventually came on Monday, with **Phil Mickelson** winning after the tournament was shortened to 54 holes.

PHIL MICKELSON

With his first PGA TOUR victory at the 2008 BMW Championship, **Camilo Villegas** earned his first PGA TOUR victory in his 86th career start at the age of 26 years and 8 months.

Camilo Villegas' wire-to-wire victory at the BMW Championship was just the second of the 2008 season, joining **K.J. Choi** (Sony Open in Hawaii). Dating back to 1934, the only wire-to-wire winners (no ties) at the tournament are **Nick Price** (1993), **Tiger Woods** (2003) and Villegas (2008).

NOTES

With his first career TOUR victory at the 2008 BMW Championship, **Camilo Villegas** earned

11,000 FedExCup points and moved from No. 25 to No. 2 in the FedExCup standings with 112,050 points, 10,601 behind leader **Vijay Singh**.

With his victory at the 2008 BMW Championship, **Camilo Villegas** became the first Colombian-born player to win on the PGA TOUR.

In the third round of the 2008 BMW Championship, **Bart Bryant** aced the 186-yard 13th hole with a 5-iron, for the second hole-in-one of the day. It was Bryant's first career hole-in-one on the PGA TOUR. **Sergio Garcia** recorded a hole-in-one on the third hole in the second round on Saturday morning with a 5-iron from 204 yards, also his first TOUR ace and his first in competition.

There was only one eagle recorded in the first round (**Dean Wilson** #12), while the second round gave up three eagles, including a hole-in-one by **Sergio Garcia**. **Briny Baird** holed out from 117 yards on the 11th hole and **Jim Furyk** holed out from 113 yards on the second hole.

Jim Furyk matched his career-best round on TOUR with a second-round, 8-under 62. Furyk finished his round with birdies on his last five holes to come home in 7-under-par 28 on the front nine. That nine-hole score at Bellerive CC matched the low nine-hole score on TOUR in 2008. Furyk was one stroke behind leader **Camilo Villegas** at 8-under 132.

Chad Campbell withdrew before the start of the second round on Saturday morning. He returned home because his expecting wife, Amy, was having contractions. She gave birth to a son, Jax Phillip, later that day. Campbell received no FedExCup points, but still managed to advance to the THE TOUR Championship, finishing in the final qualifying spot at No. 30 and 242 points ahead of No. 31 **Stephen Ames**.

Viking Classic

NOTES

There has never been a wire-to-wire winner (out-right lead after each round) at the Viking Classic since the event became an official PGA TOUR tournament in 1994.

2008 champion Will MacKenzie birdied four of the last six holes to record a 4-under 68 on Sunday and then birdied the first two playoff holes to outlast Marc Turnesa (70) and Brian Gay (68) in a two-hole playoff. Gay fell out after the first extra hole, and then third-round leader Turnesa was eliminated when MacKenzie birdied the par-5 18th hole for the third consecutive time (to finish regulation and twice in the playoff).

In 2006, D.J. Trahan became the sixth player to win his first PGA TOUR event at the Viking Classic since it became an official PGA TOUR event in 1994. The others: Brian Henninger (1994), Ed Dougherty (1995), Willie Wood (1996), Cameron Beckman (2001) and Luke Donald (2002).

Chad Campbell's four-round total of 275 in 2007 tied D.J. Trahan (2006) for the highest winning score in Viking Classic history.

Valero Texas Open

NOTES

Two of the past three Valero Texas Open winners have won in their first start at La Cantera – **Zach Johnson** in 2008 and **Eric Axley** in 2006. Before Axley, the last time a player won in his first start at the Valero Texas Open was **Ben Crenshaw** in 1973.

ERIC AXLEY

Johnson's third and fourth-round scores of 62-64—126 in 2008 marked the best final 36-hole score by a winner of the Valero Texas Open since **Ron Streck** shot 63-62 to finish his victory in 1978. The two-day total also matched his career 36-hole best score. He shot 60-66 in the second and third rounds of the 2007 TOUR Championship presented by Coca-Cola.

The 2008 win was **Zach Johnson**'s first career victory outside of the state of Georgia. His three previous wins came at the AT&T Classic (2004, 2007) and the Masters Tournament (2007).

The 2009 Valero Texas Open will be played May 11-17, the week after THE PLAYERS Championship and as the first of three successive tournaments in Texas. The HP Byron Nelson Championship in Dallas and the Crowne Plaza Invitational at Colonial in Fort Worth follow on the 2009 schedule. It will be the first spring date for the San Antonio tournament since 1969.

Mark Wilson's T2 finish at the 2008 Valero Texas Open was his best of the year and also his highest finish since he won The Honda Classic in 2007—a span of 46 starts. Wilson fired a final-round 63 to finish at 17-under 263. Wilson tied for third in San Antonio in 2005.

NOTES

The ADT Golf Skills Challenge underwent a format change in 2008 where caddies participated with the four players. Except for the long drive, play was contested on the 18th hole of Fairmont Turnberry's Soffer Course. There were a total of eight skills. Each player hit three consecutive shots (six per team) in each of the first seven skills with the best shot counting toward the score and prize money. For the last skill (the Korbel Short Iron), each player received only one shot. However, teams received an additional shot for each of the previous seven skills that the team won. For example, if a team won two of the first seven skills, in the final Korbel Short Iron competition that team receives its original first shot plus two more chances to put the short iron close in the final, and usually decisive, skill. The winning team for each skill split \$20,000 and the final places were paid as follows: First, \$250,000; Second, \$150,000; Third, \$135,000; and Fourth, \$125,000.

OMEGA Mission Hills World Cup

NOTES

Sweden, with **Robert Karlsson** and **Henrik Stenson**, picked up its second World Cup title in 2008 when it defeated Spain by three strokes. The first Swedish World Cup title came in 1991 when **Per-Ulrik Johansson** and **Anders Forsbrand**

teamed to defeat the Wales team of **Phillip Price** and **Ian Woosnam** by one stroke in Rome, Italy. The following year, the same Swedish team was runner-up to the U.S. team of **Fred Couples** and **Davis Love III**. The only other runner-up finish in Sweden World Cup history came in 2005 when Stenson paired with **Niclas Fasth**. Sweden entered the final round two strokes behind Wales, but inclement weather forced cancellation of Sunday play and Wales was declared the winner at the Victoria Clube de Golfe in Vilamoura, Portugal.

Spain (**Miguel Angel Jimenez** and **Pablo Larrazabal**), which led after the second and third rounds, shot a 70 in the final round in 2008 and finished second for the sixth time in the country's World Cup history.

Defending champion Scotland (**Colin Montgomerie** and **Alastair Forsyth**) finished at 7-under 281 to tie for 19th in 2008. The last time a team successfully defended its World Cup title was in 2000, when the United States team of **Tiger Woods** and **David Duval** won the title that Woods and **Mark O'Meara** captured the previous year.

1,288 players sent in applications to participate in the 2008 PGA TOUR Qualifying Tournament. Six pre-qualifying sites, along with 12 first- and six second-stage regionals were held to reduce the field. A total of 163 players competed in the final-qualifying stage, which consisted of six rounds with no cut.

The top-25 players and ties (a total of 28 players at 19-under or better) received PGA TOUR cards for 2009. The next 51 finishers (at 18-under through 11-under) earned fully-exempt Nationwide Tour cards for 2009, and the remainder of the field received conditional Nationwide Tour status.

Eight players qualified by making it through all three stages—Matt Borchert, Troy Kelly, Tyler Aldridge, Gary Woodland, Brian Vranesh, Aaron Watkins, Leif Olson and Wil C. Collins.

Harrison Frazier's 59 in round four was the second 59 shot in the Qualifying Tournament. David Gossett shot 59 in the 2000 Qualifying Tournament, also at PGA West, but on the Nicklaus Private course.

NOTES

Along with the Willie Park belts and the \$210,000 check that goes to the winning team, another benefit to winning the Del Webb Father/Son Challenge is an invitation to return the following year to what is becoming a popular Challenge Season event. That means barring injury or other unforeseen happenings, Team Nelson will be back as defending champions in 2009, albeit with a different look. **Josh Nelson**, who teamed with his dad to win the 2007 title, will return.

One year after winning with son **Josh, Larry Nelson** teamed with son **Drew** to successfully defend the Del Webb Father/Son Challenge title. Not only did Larry win his third overall Father/Son title, he also became the first dad to win titles with different sons in consecutive years. Larry and Drew Nelson also won this event in 2004. **Raymond Floyd** won three straight years (1995-97) with **Raymond Jr.** and then won back-to-back Father/Son events (2000-01) with son **Robert Bernhard Langer** won back-to-back titles (2005-06) with son **Stefan**.

Team Nelson's winning score of 61-62—123 (-21) was the highest winning score since **Hale Irwin** and **Steve Irwin** claimed the 2003 event at ChampionsGate with a 36-hole score of 62-61—123 (-21).

International Federation of PGA Tours/World Golf Championships

At the 1996 Presidents Cup, golf's five world governing bodies—the European Tour, Japan Golf Tour Organization, PGA TOUR, PGA Tour of Australasia and Sunshine Tour—reached agreement on several key elements of professional golf designed to create new international events, beginning in 1999.

Three major initiatives were outlined at the Robert Trent Jones Golf Club, site of the second Presidents Cup:

- Formation of the International Federation of PGA Tours;
- A structure for a generally accepted worldwide ranking system;
- Joint sanctioning by the members of the International Federation of PGA Tours of significant competitions, including some at the world championship level for the game's top players.

Those "significant competitions" were announced in October 1997 when the Federation introduced the World Golf Championships. The World Golf Championships were developed to enhance the competitive structure of professional golf worldwide while preserving the traditions and strengths of the individual Tours and their events.

The first three jointly sanctioned championships—the Accenture Match Play Championship, the NEC Invitational (now Bridgestone Invitational) and the American Express Championship (now CA Championship)—were launched in 1999 with Jeff Maggert winning the first event and Tiger Woods the latter two. The addition of the World Cup was announced in December 1999 and was played as a World Golf Championships event from 2000-06. The 2008 season marked

the 10th year of the World Golf Championships series.

The World Golf Championships' events feature players from around the world competing against one another in varied formats. World Golf Championships' events have been contested on five continents and in nine countries and feature some of the largest purses in professional golf.

The Asian Tour joined the International Federation of PGA Tours as a full-fledged member in November 1999, while the Canadian Tour was named an associate member in March 2000. The Tour de las Americas joined the Federation as an associate member in 2007.

Accenture, Bridgestone and CA are the umbrella sponsors of the World Golf Championships. Kohler and Rolex are official sponsors.

Fields for the World Golf Championships are filled primarily through the Official World Golf Ranking, which is endorsed by all the sport's major professional organizations and governing bodies, and individual Tours' Official Money Lists/Orders of Merit.

This season, the World Golf Championships begins in February with the Accenture Match Play Championship at The Ritz-Carlton Golf Club, Dove Mountain in Marana, Arizona. In March, the CA Championship returns to Doral Golf Resort & Spa's Blue Course, A Marriott Resort, in Doral, Florida. And in August, the South Course at Firestone Country Club in Akron, Ohio, welcomes back the Bridgestone Invitational.

The Presidents Cup

The eighth Presidents Cup will be contested at Harding Park Golf Course in San Francisco in 2009. San Francisco is only the second U.S. city selected to host the event and the first location on the West Coast. U.S. Team Captain Fred Couples and International Team Captain Greg Norman are both major championship winners and both have played in The Presidents Cup during their stellar careers, which is a first for captains in The Presidents Cup history.

Royal Melbourne Golf Club in Australia will host the event in 2011, becoming the first golf course outside the United States to host The Presidents Cup more than once.

History

The Presidents Cup was developed to give the world's best non-European players an opportunity to compete in international team match-play competition.

A biennial event, the first Presidents Cup was played Sept. 16-18, 1994, at Robert Trent Jones Golf Club. The U.S. Team, captained by Hale Irwin, defeated Captain David Graham's International side, 20-12. The U.S. Team retained The Cup in 1996, but the Internationals scored their only outright win in The Presidents Cup during the following staging, in 1998 in Australia. In 2000, the U.S. Team avenged the loss with an impressive 11-point victory over the Internationals, taking their record to 3-1-0.

The Presidents Cup 2003 was originally scheduled for November 2002, but was postponed one year in the wake of the September 11, 2001, terrorist attacks on the United States. Played at The Links at Fancourt Hotel and Country Club Estate in George, South Africa, the competition ended in a tie. After both teams completed regulation tied at 17 points, Ernie Els of the International Team and Tiger Woods of the U.S. were designated to represent their teams in a sudden-death playoff. After three playoff holes, and as darkness was descending, Captains Gary Player and Jack Nicklaus, in the spirit of the competition, decided that the two teams would share the Cup.

The Presidents Cup 2005, played for a fourth time at the Robert Trent Jones Golf Club in Prince William County, VA, came down to the final hole. When American Chris DiMarco birdied the 18th hole in Sunday's singles to defeat Stuart Appleby, 1-up, he gave the Americans an 18½ - 15½ victory.

The U.S. wrapped up its fifth Presidents Cup in seven tries at Royal Montreal Golf Club in 2007 with a 19½-14½ victory, the U.S. Team's first at an international venue in 14 years of team competition. David Toms earned the most points for the U.S. Team, while Woody Austin earned several new nicknames after falling into the lake on hole 14 while attempting a shot. And while his team did not win, Canadian golf hero Mike Weir thrilled the crowds with a 1-up victory over World No. 1 Tiger Woods in Sunday's Singles competition.

Former U.S. President Gerald Ford presided over the first Presidents Cup as Honorary Chairman. Former President George H.W. Bush, like Ford an avid golfer, served as Honorary Chairman for The Presidents Cup 1996. Australian

Prime Minister John Howard was Honorary Chairman for the 1998 event. In 2000, President Bill Clinton made history when he became the first sitting president to serve as Honorary Chairman. In 2003, Thabo Mbeki, President of the Republic of South Africa, was Honorary Chairman. Current President George W. Bush served as the Honorary Chairman of The Presidents Cup 2005, and Canadian Prime Minister Stephen Harper was the 2007 Honorary Chairman. The Honorary Co-Chairmen for 2009 are Governor Arnold Schwarzenegger and Mayor Gavin Newsom. The Honorary Chairman will be announced in 2009.

The Presidents Cup follows the PGA TOUR creed of giving back. There is no purse for the players. Net revenues are divided into equal shares that the players and captains designate for charities or golf-related projects of their choice. The first seven Presidents Cups generated more than \$17 million for charities worldwide, including a record \$4.2 million donation from the 2007 event.

Eligibility

Members of the 2009 U.S. Team will be selected based on official earnings from the start of the 2008 season through the 2009 PGA Championship. International Team players for the 2009 Presidents Cup will be chosen on the basis of the Official World Golf Ranking and does not include players eligible for the European Ryder Cup Team.

The eligibility rankings are used to select 10 members for both squads. The 12-man teams are rounded out by two Captain's Choices per team.

Structure and Scoring

The Presidents Cup competition consists of 34 matches—11 Foursomes (alternate shot) and 11 Four-ball (better ball) matches. There are 12 Singles matches involving all players on the final Sunday. All matches are worth one point each, for a total of 34 points. There are no playoffs for Foursomes or Four-ball, with each side receiving ½ point if the match finishes all-square after 18 holes. Singles matches all square after 18 holes will go to extra holes until a team winner is determined. In a change inspired by the events of the 2003 Presidents Cup, if the match is deadlocked at the end of Singles play, the competition will be deemed a tie and the teams will share The Presidents Cup.

Official World Golf Ranking

The Official World Golf Ranking, which is endorsed by the four major championships and six professional Tours that make up the International Federation of PGA Tours, is issued every Monday following the completion of the previous week's tournaments from around the world.

Results from events on the world's leading professional tours—the Asian Tour, PGA Tour of Australasia, European Tour, Japan Golf Tour, PGA TOUR, Nationwide Tour, Sunshine Tour, Canadian Tour and European Challenge Tour—are evaluated, and points are awarded according to the players' finishing positions. Tournaments are "rated" according to the strength of field based on the number and ranking of the world's top 200 players in respective tournament fields (event "ratings").

In addition, some strength-of-field weighting is given to the inclusion in each field of a significant percentage of the top 30 on the host Tour's prior year Official Money Lists. The four major championships and THE PLAYERS Championship are rated separately to reflect the higher field quality of the events. In addition, the BMW Championship in Europe and the Australian, Japanese and South African Open Championships, the Nationwide Tour Championship and Volvo Masters of Asia are allocated higher minimum point levels to reflect their status as each Tour's flagship event.

The Official World Golf Ranking points for each player are accumulated over a two-year "rolling" period. Each player then is ranked according to his average points per tournament, which is determined by dividing his total number of points by the tournaments he has played over that two-year period. There is a minimum requirement of 40 tournaments for the two-year period.

The winners of the Masters Tournament, U.S. Open, British Open and PGA Championship are awarded 100 points (60 points for second place, 40 for third, 30 for fourth, down to 1.5 points for a player completing the final round), and the winner of THE PLAYERS Championship is awarded 80 points (points are awarded down to 60th place).

The BMW Championship has a minimum of 64 points for the winner (points down to 56th place). In addition, the Open Championships of Australia, Japan and South Africa have a minimum of 32 points for the winner (points awarded down to 37th place). The Nationwide Tour Championship and Volvo Masters of Asia winners receive 20 points (points awarded down to 22nd place).

Minimum points levels for winners of all the other official Tour events have been set at six points for the Canadian Tour; 12 points for the European Challenge (points to 14th place); 14 points for the Nationwide Tour, Sunshine Tour, and Asian Tour (points to 17th place); 16 points for Australasia and Japan (points to 19th place); and 24 points for Europe and the United States (points to 27th place).

In January 2007, a new feature was added to the ranking system. Points entered by a player in a particular tournament maintain their full value for 13 weeks then are devalued by 1.1% each of the next 91 weeks before dropping completely off a player's 2-year record, thereby cutting the sudden and sometimes dramatic impact of the reduction of points that previously occurred at the 13-week anniversaries of events in which players earn points. Full Ranking points are awarded for tournaments reduced to 54 holes because of inclement weather or other reasons. For events completing only 36 holes, Ranking points are reduced by 25 percent.

The Official World Golf Ranking is available each week at PGA TOUR sites or by going to officialworldgolfranking.com or owgr.com. The top 75 as of Nov. 10, 2008 (the last ranking of official 2008 PGA TOUR season) follows:

Kodak Challenge

In 2009, Kodak and the PGA TOUR will debut the Kodak Challenge, a first-of-its-kind competition for PGA TOUR players and fans that celebrates beautiful holes and memorable moments on the PGA TOUR. In 2009, 24 PGA TOUR tournaments will feature a designated Kodak Challenge hole. Players must play at least 18 of the 24 Kodak Challenge holes throughout the season to compete for \$1 million and the Kodak Challenge title. A player's lowest score relative to par on his best 18 Kodak Challenge holes will be counted. The player with the lowest cumulative score relative to par wins. In the case of a tie, a sudden death playoff will take place on the final Kodak Challenge hole immediately following the conclusion of the Children's Miracle Network Classic presented by Wal-Mart.

The Kodak Challenge holes were selected by an Advisory Board of leading golf experts and influentials: David Feherty, CBS Sports golf analyst; Rees Jones, golf course architect; Jules Alexander, golf photographer; Andy Pazder, PGA TOUR Senior VP, Tournament Administration; and Lance Barrow, CBS Sports golf, Coordinating Producer. Holes were selected based on their beauty and their connection to memorable moments in golf.

"We are thrilled to partner with the PGA TOUR on the Kodak Challenge, a unique and compelling competition for players and fans. We look forward to the many Kodak Moments to come all year long," said Jeffrey W. Hayzlett, Chief Marketing Officer and Vice President, Eastman Kodak Company. "The

excitement and anticipation will build throughout the season as players step up to each Kodak Challenge hole and compete for the one million dollars. All they have to do is play – it's that simple. But with a million dollars on the line, they might just grip the club a little tighter."

For more information on the Kodak Challenge, go to kodakchallenge.com and pgatour.com/kodakchallenge. Fans can also follow the Kodak Challenge at facebook.com/kodakchallenge, twitter.com/kodakchallenge, and 1000words.kodak.com/kodakchallenge.

Glossary of Statistics

Driving Distance

The average number of yards per measured drive. Driving distance is measured on two holes per round. Care is taken to select holes which face in opposite directions to counteract the effects of wind. Drives are measured to the point they come to rest, regardless of whether they are in the fairway or not.

Driving Accuracy

The percentage of time a player is able to hit the fairway with his tee shot.

Greens in Regulation

The percentage of time a player was able to hit the green in regulation (greens hit in regulation/holes played). Note: A green is considered hit in regulation if any part of the ball is touching the putting surface and the number of strokes taken is two less than par or fewer.

Putting Average

Measures putting performance on greens hit in regulation. For each green hit in regulation, the total number of putts is divided by the number of greens hit in regulation. By using greens hit in regulation, we are able to eliminate the effects of chipping close and one-putting in the computation.

Total Driving

Total Driving is computed by totaling a player's rank in driving distance and driving accuracy.

Eagles (holes per)

The average number of holes between each eagle.

Birdie Leaders

The average number of birdies made per round played.

Sand Saves Percentage

The percentage of time a player is able to get up and down once in a greenside sand bunker. Note: This up and down is computed regardless of score on the hole.

All Around

This statistic is computed by totaling a player's rank in each of the following statistics: Scoring Leaders, Putting Leaders, Eagle Leaders, Birdie Leaders, Sand Saves, Greens in Regulation, Driving Distance and Driving Accuracy.

Note: See Statistical Leaders, pages 5-14 and 5-15

Byron Nelson Award

The Byron Nelson Award is based on each player's adjusted scoring average. The adjusted score is computed from the average score of the field at each tournament. As a result, a player's score may be higher or lower than his actual score. Actual scoring average was used to determine the scoring leader prior to 1988.

In order to qualify for the Byron Nelson Award, a player must compete in a minimum of 50 official rounds on the PGA TOUR.

PGA Player of the Year

The PGA Player of the Year Award is given by the PGA of America to the top PGA TOUR player based on a mathematical formula that weighs tournament wins, official money standing and scoring average.

The point system for selecting the Player of the Year was amended in 1982, as follows: 30 points for winning the PGA Championship, U.S. Open, British Open or Masters Tournament; 20 points for winning THE PLAYERS Championship; 10 points for winning all other designated PGA TOUR events. In addition, there is a 50-point bonus for winning two majors, 75-point bonus for winning three, 100-point bonus for winning four.

For top-10 finishes on the PGA TOUR's official money list and scoring average list, the point value is: first, 20 points, then 18, 16, 14, 12, 10, 8, 6, 4, 2. Any incomplete rounds in the scoring average list will result in a .10 penalty per incomplete round.

Vardon Trophy

The Vardon Trophy, named in honor of famed British golfer Harry Vardon, is awarded annually by the PGA of America.

From 1947 to 1987, the Vardon Trophy was awarded to the professional golfer with the lowest-scoring average. In 1988, the criteria were adjusted to award the Vardon Trophy to the touring professional with the lowest adjusted scoring average based on a minimum of 60 official rounds in events cosponsored or approved by the PGA TOUR.

Any player with an incomplete round is ineligible to win the Vardon Trophy.

Payne Stewart Award

The award is named for Payne Stewart, an 11-time winner on the PGA TOUR, including three major championships. Stewart died the week of THE TOUR Championship presented by Coca-Cola in 1999. The award was created by the PGA TOUR Policy Board to perpetuate Stewart's memory. It is presented annually at THE TOUR Championship presented by Coca-Cola to a player sharing Stewart's respect for the traditions of the game, his commitment to uphold the game's heritage of charitable support and the professional and meticulous presentation of himself and the sport through his dress and conduct.

In addition to a sculpture presented to the recipient, the Payne Stewart Award is accompanied by an annual Payne Stewart Award Grant presented by Southern Company. The \$300,000 grant will support several initiatives in Stewart's name to be distributed as follows: \$100,000 to Payne and Tracey Stewart's primary charity, The Stewart Family

Foundation; \$100,000 in Stewart's honor to The First Tee facility in Missouri, located at Camp Kanakuk, which is affiliated with the "Kids Across America" program; and \$100,000 to a charity designated by the recipient.

Charity: Giving Back...The Heart of the PGA TOUR

Making a positive impact on the communities where PGA TOUR tournaments are held and players live is a sure sign that the golf organization's charitable mission is a continuing success story all around the world.

This effort was celebrated in late 2005 when the PGA TOUR and its tournaments reached the "Drive to a Billion" milestone. That cumulative effect, since the first donation in 1938, has reached more than \$1.3 billion entering 2009.

The forecast is for the second billion-dollar mark to be reached in approximately the next five years. PGA TOUR, Champions Tour and Nationwide Tour events annually benefit more than 2,000 charities and countless individuals worldwide. Research shows that the majority of the funds raised each year are directly funneled back into the local market, so while there is not an "official charity of the PGA TOUR," there are many who benefit from the TOUR's one goal of "Giving Back."

"Thanks to the incredible generosity of the tournaments, players, fans, volunteers and business partners who support the PGA TOUR, the goal of giving back continues to be our main focus," PGA TOUR Commissioner Tim Finchem said. "We are inspired by the continued enthusiasm for giving that ensures more and more assistance is generated for those in need around the world."

Structure

Unlike any other professional sport, the PGA TOUR relies on more than 80,000 volunteers a year to run its events, and nearly all of the 100-plus tournaments are structured as non-profit organizations designed to donate 100 percent of net proceeds to local charities. Beneficiaries include a wide variety of local organizations such as hospitals, youth-development organizations, growth-of-the-game programs and food banks. In addition, military support and fundraising for natural disaster relief are apparent.

The beneficiaries include the 2008 Charity of the Year, Whaley Children's Center in Michigan, which benefits from the PGA TOUR's Buick Open. Whaley Children's Center serves abused and neglected children throughout Michigan between the ages of 5 and 17. The Center teaches the children how to succeed as individuals, by providing continuity of care across all programs and supporting them with resources so they can reach their potential.

The impact is also made by volunteers such as the 2008 Volunteer of the Year—Joan Smith of the Buick Invitational. Smith has served as a volunteer for nearly 50 years at the PGA TOUR's San Diego stop and 40 of those years has been in the capacity of chair or co-chair of the Walking Scorers Committee. She is known as "Mrs. Golf" in the San Diego community.

Tournaments

Tournaments provide the leadership. The FBR Open on the PGA TOUR, the 3M Championship, Toshiba Classic and Walmart First Tee Open at Pebble Beach on the Champions Tour and the Albertsons Boise Open, BMW Charity Pro-Am and Price Cutter Charity Championship on the Nationwide Tour pro-

vided the largest donations to charity in 2008 on each Tour. The FBR Open in Phoenix raised a record \$8.65 million in 2008 on the PGA TOUR.

In The Presidents Cup, there is no purse, yet revenues are divided into equal shares that the participating players and Captains designate for charities of their choice, totaling more than \$17 million in the seven playings of the event.

"This heartfelt response year after year is a tribute to the players, tournaments and thousands of volunteers who make PGA TOUR events so successful," said Ollie Nutt, Chairman of the Tournament Advisory Council. "We look forward to continuing the tradition of making a true difference for organizations and in peoples' lives in cities where we play."

Players

Players also reach out to help considerably through charitable efforts in their home communities and elsewhere.

Support of the United States military has been quite evident in recent years. The AT&T National in Bethesda, MD, over the Fourth of July weekend honors the United States military by offering free admission to all military personnel and holding various events around the tournament. Host Tiger Woods pays tribute to his late father, Earl, a Green Beret veteran, by focusing on those who serve our country through various activities.

Phil Mickelson began a "Birdies for the Brave" program in 2004 that continues to donate \$100 for each birdie and \$500 for each eagle he makes in competition and benefits "Homes for Our Troops" and "Special Operations Warrior Foundation." Numerous other players are affiliated with organizations that assist wounded veterans and their families.

Players support amateur golf in various capacities also. Australia's Aaron Baddeley has sponsored the Aaron Baddeley International Junior Championship in China each December for eight years, with the winning boys and girls earning spots in the Australian men's and women's opens. Bubba Watson sponsors the Bubba Watson Invitational, a women's NCAA Division II golf tournament at his home course in Pace, FL.

Fred Funk, who plays on both the PGA TOUR and Champions Tour, has assisted J.T. Townsend, a young man who was paralyzed in a 2004 Jacksonville, FL, Funk, with assistance from the PGA TOUR and THE PLAYERS Championship, has spearheaded fund-raisers, including an annual golf tournament, and given a percentage of his earnings to help Townsend's family pay for a wheelchair-accessible home that includes other special amenities. The Townsend family moved into the home in late 2006.

The players' wives are also fully involved in giving back. The PGA TOUR Wives Association was a 2008 recipient of one of *Golf Magazine's* 10 Innovator Awards for its charitable nature and positive impact on tournament host cities. Since its incorporation in 1988, the PGA TOUR Wives Association, Inc., has supported children's charities across the country by raising money and giving back much to the game of golf through personal time and monetary contributions.

In the communities where tournaments take place, giving back remains at the heart of the PGA TOUR.

GOLF 20/20: Vision For the Future

In November 2000, golf industry leaders gathered at the World Golf Village to participate in a conference called GOLF 20/20: Vision for the Future, a precedent-setting forum aimed at initiating a collaborative effort to grow the game of golf and secure its future. The spirit of unity was so strong and the commitment to make a difference so universal, the decision was made to address some of the most pressing issues impacting the golf industry on an ongoing basis, through the formation of GOLF 20/20.

An initiative of the World Golf Foundation, GOLF 20/20 is a unique collaboration designed to galvanize the industry around strategic initiatives and grass-roots activation to ensure the future vitality of the game of golf. The fundamental principle behind GOLF 20/20 is that golf benefits society and that accelerating the growth of the game and expanding its accessibility will improve the quality of life for those who are introduced to its positive values.

Among GOLF 20/20's many accomplishments during the past six years are the following:

Research – GOLF 20/20 has undertaken a number of unprecedented research projects, including golf's largest-ever segmentation study (2001); two studies quantifying golf's economic impact in the U.S. (2000, 2005); and two studies focusing on golf's best customers (2005). In 2006, GOLF 20/20, working with SRI International, developed a template for the calculation of the economic impact of golf at the state level, which provides states with an affordable tool to use in a variety of ways.

Program Development – GOLF 20/20 has successfully piloted numerous programs, beginning with Link Up 2 Golf in 2001. This adult player development program now serves as an integral part of the PGA of America's Play Golf America program. In 2003, GOLF 20/20 created the National School Golf Program, a unique approach to introducing elementary school students to the game through the physical education structure. This program is now under the management of The First Tee. In 2005, GOLF 20/20 established Women's Golf Week, a unique collaboration of the golf industry aimed at increasing the participation of women in the game. And in 2008, GOLF 20/20 unveiled an industry-wide program to connect adults to the game in a consistent and compelling manner. The new initiative, Get Golf Ready, is designed to introduce beginners to the game in a relaxed, friendly environment and to get them from the lesson tee to the golf course as quickly as possible. GOLF 20/20 expects up to 700 facilities around the country to offer Get Golf Ready programs by the end of 2009.

Economic Impact – In 2006 GOLF 20/20, along with research partner SRI International, developed a template through which states could affordably commission a report on the economic impact of golf within the state, to demonstrate golf's importance to various public and private constituencies. To date, reports have been completed for Virginia, Ohio, Iowa, Michigan, Minnesota, Louisiana, Massachusetts, Texas and California. Reports are currently underway for Hawaii, North Carolina, New York and Florida. Additionally, early in 2008 GOLF 20/20 released its latest national economic impact report which showed that the U.S. golf economy had grown from \$62 billion to \$76 billion between 2000 and 2005. At \$76 billion, golf is a larger industry in the U.S. than the motion picture and video industries. The report, The 2005 Golf Economy Report, also measured golf's annual charitable impact at \$3.5 billion.

The First Tee

The First Tee is recognized as a preeminent positive youth development program. It provides young people of all backgrounds an opportunity to develop life-enhancing values such as honesty, confidence, perseverance and judgment through golf and character education.

Since its inception in 1997, The First Tee has created a network of over 700 program locations around the world and has a presence in over 2,000 U.S. elementary schools. Over 2.2 million young people have been introduced to the game of golf and its values through The First Tee.

In more than 100 school districts across the country, The First Tee National School Program introduces elementary school students to the game of golf and The First Tee Nine Core Values during regular physical education classes. The First Tee provides teachers with developmentally appropriate equipment, training and a comprehensive curriculum designed to teach basic golf skills and etiquette to elementary students. Once their interest is piqued, students are encouraged to pursue the game at The First Tee and other transitional golf opportunities in their community. The PGA TOUR has been instrumental in growing this program in its tournament markets.

The First Tee Life Skills Experience is the unique feature that distinguishes The First Tee from many other golf programs and youth initiatives. Through life lessons taught at more than 200 community-based nonprofit Chapters, participants learn the importance of maintaining a positive attitude, how to make decisions by thinking about possible consequences, how to define and set goals and how to transfer the positive values of golf to everyday life. Independent research conducted by the University of Virginia and University of Minnesota provides data-based evidence that participation in The First Tee Life Skills Education Programs positively changes young people's attitudes and behaviors.

There are many opportunities for participants who excel academically and for those who display leadership skills and the positive core values taught by The First Tee. Teenage participants are eligible for the Walmart First Tee Open at Pebble Beach, an official Champions Tour tournament, that pairs one junior with a Champions Tour player and two amateurs. High school seniors can apply for The First Tee Scholars Program, which offers scholarships to accredited colleges and universities. Leadership forums, life skills academies and other educational opportunities are available to outstanding participants through partnerships with corporations, foundations and individual donors.

The First Tee has been successful in creating a broad network of support thanks to its Founding Partners: Augusta National Golf Club, LPGA, PGA of America, PGA TOUR and USGA, and honorary chairman, former President George H.W. Bush. Get involved today and support The First Tee. It's more than a game! Visit thefirsttee.org for more information.

Nine Core Values of The First Tee:

Honesty | Integrity | Sportsmanship
Respect | Confidence | Responsibility
Perseverance | Courtesy | Judgment

Regulations – Media

The following regulations are to be followed by all members of the media:

1. PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Nationwide Tour.
2. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information for editorial product; further provided, however, the foregoing exception shall not apply to video other than video comprised solely of an Authorized Outlet employee/contractor providing commentary or analysis.
3. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
4. A daily decal is necessary to walk inside the gallery ropes. All members of the media with such decal must remain not more than an arm's length from the ropes, so as to blend into the gallery and appear to be a part of the gallery at all times.
5. Players are not to be distracted during play. Do not interview players or ask them to pose for photographs during their rounds.
6. Do not interview players or ask them to pose for photographs during their practice sessions before a round, except by prior arrangement with the player.
7. If an interview is to be conducted in the practice areas, either the range or the putting green, it must be done by prior arrangement with the player, up against the ropes and not in the middle of the areas where it could be distracting to other players.
8. Do not disturb players at their 18th green and/or scoring tent until after they have checked, signed and returned their scorecards. Media are not allowed in the scoring tent.

WORKING PRESS REGULATIONS

To avoid embarrassment to you and distraction to the contestants:

1. Do not walk or stand in playing areas.
2. Follow directions of marshals and other officials.
3. Do not interview during play. The leading players each day — and others requested — will be interviewed following their rounds in the Press Room interview area.

TAPE RECORDER REGULATIONS

1. All audio recording device and/or video recorder work should be done in the proximity of the press room, media center and/or designated interview area.
2. Video Recorders are not permitted in the locker room. Audio recording devices are permitted in the locker rooms subject to the following regulations:

- Audio recorded interviews are intended to be one-on-one and not group interviews.
- Audio recorded interviews are for reference only and the audio cannot be used for any other purpose.
- The reporter must clearly ask a player, and permission must be granted, in order for the audio recording device to be used.
- The reporter is responsible for making other players in the vicinity aware that an interview is being recorded.
- PGA TOUR staff may designate, depending upon need and availability, an area within the locker room for the purpose of conducting interviews that are recorded.
- Use of audio recorded interviews must be limited to the person being interviewed.
- 3. Audio recording devices and/or video recorders are not permitted within the playing area of the golf course unless written permission has been granted from PGA TOUR.

WEATHER DELAY GUIDELINES

1. During weather-delay situations, no one other than players and essential staff will be permitted in the locker room. This means the media are not permitted in the locker room in such situations. However, whenever possible, arrangements will be made to provide players for interviews during such situations.
2. Fully accredited members of the news media will be welcome in the locker room at all other times to carry out their assigned duties. (Note: Cameras and, except as outlined above, tape recorders are not permitted in the locker room.)

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organization and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

The terms and conditions of the PGA TOUR Media Regulations are limited to those contained herein. Any additional or different terms or conditions in any form delivered by the credentialed entity or Authorized Outlet are hereby deemed to be material alterations and notice of objection to them and rejection of them is hereby given.

The credentialed entity acknowledges and agrees that photographic images of PGA TOUR sanctioned tournaments are available for use outside the scope of these regulations (e.g., commercial, promotional, etc.) from the Official Photographic Services Provider of the PGA TOUR, Champions Tour and Nationwide Tour (currently, Getty Images), subject to the applicable rate card and course and player approvals.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – Radio

PGA TOUR retains exclusive media rights (including, but not limited to, broadcast, cable, home video, Internet) to all events on the PGA TOUR, Champions Tour and Nationwide Tour. No live or tape-delayed broadcast of any portion of any PGA TOUR, Champions Tour or Nationwide Tour event is permitted without the prior written consent of PGA TOUR.

All radio media are permitted to broadcast highlights coverage of such events only under the following conditions, unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Coverage shall not be in excess of three minutes of highlights per day and may not purport to be live, play-by-play coverage from the course.
4. All highlights coverage must be part of regularly scheduled news programs and may not be broadcast after 48 hours from the conclusion of the applicable tournament.
5. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.
6. Audio and video coverage shall not be made available until that day's live or tape-delayed coverage by the television network is concluded.

7. As the exclusive rights holder, PGA TOUR may request copies of any coverage of PGA TOUR, Champions Tour and Nationwide Tour events. Such coverage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).
8. The use of golf carts is prohibited at all times.
9. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
10. Radio broadcasters are not permitted inside the gallery ropes at any time.
11. Broadcasters are not permitted to talk to players during play or after the round until the player has signed his scorecard.
12. Broadcasters shall not sell, distribute or syndicate any highlights coverage to any third party without PGA TOUR's prior approval.
13. The credentialed entity has rights only with respect to radio broadcast and has no rights with respect to any other media (including, without limitation, audio via the Internet) without obtaining the proper and valid credentials for such media.

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – On-Line Services

Media credentials will be issued only to personnel on assignment from recognized golf or legitimate news Internet sites or other non-television video media services, as determined by PGA TOUR in its sole discretion. Coverage obtained in accordance with these regulations can only be used on the Authorized Outlet. Individuals representing multiple interests (such as a recognized golf magazine and an Internet site) must agree to be bound by all applicable media regulations.

PGA TOUR retains exclusive media rights (including but not limited to network, cable, Internet, home video, Internet protocol television, mobile) to all events on the PGA TOUR, Champions Tour and Nationwide Tour. No audio or video coverage of the event competition is permitted without the prior written consent of PGA TOUR. All other audio and video coverage must comply with the regulations below. Scores and statistics may be distributed only in accordance with these regulations.

1. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
2. Coverage must not purport to be live, play-by-play, hole-by-hole or real-time coverage from the course.
3. Audio and video coverage shall be limited to the press room, media center and designated interview area (including any flash photography area by the 18th green), all as determined by PGA TOUR in its sole discretion, and shall not contain video footage or audio call of tournament play. Requests for expanded coverage must be submitted in writing to PGA TOUR for PGA TOUR's prior approval.
4. Audio or video coverage from PGA TOUR designated areas shall not be in excess of two minutes per day from each Tour (and four minutes total for all three Tours).
5. Audio and video coverage shall not be made available on the Authorized Outlet until that day's live or tape-delayed coverage by the television network is concluded and shall not be used for any purpose after 24 hours following the conclusion of the applicable round. Under no circumstances shall live audio or video coverage be made available on the Internet.
6. As the exclusive rights holder, PGA TOUR is the absolute owner of all video footage shot and audio recorded at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot or audio recorded at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage and audio will be provided electronically to PGA TOUR immediately upon request.
7. All use of video by the Authorized Outlet must be accompanied by a link back to PGATOUR.com.
8. Scoring and statistical information may only appear in the editorial news portion of the Authorized Outlet and may be provided no sooner than 30 minutes after the actual occurrence of the shots, or after the time such information is legally available as public information if sooner than 30 minutes after the actual occurrence of the shots. Scoring and statistical information may not be archived on

the Authorized Outlet and cannot be used for any purpose after 24 hours following the conclusion of the applicable round unless such information is legally available as public information.

9. No coverage, including, without limitation, scoring information, statistical information, video coverage and audio coverage may be used by, sold, given, distributed or otherwise transferred to any party other than the Authorized Outlet in any manner whatsoever, without the prior written consent of PGA TOUR. The foregoing restriction shall not apply to the distribution of the following by established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information for editorial product: written stories, photos and audio and video comprised solely of an Authorized Outlet employee/contractor providing commentary or analysis.
10. Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used on the Authorized Outlet for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play, nor may photos be sequenced in such a way as to approximate video. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. No sponsorship or advertising may be used in a manner that implies any association between any advertiser and the PGA TOUR and/or a PGA TOUR, Champions Tour or Nationwide Tour player. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case by case basis. Where appropriate, the Authorized Outlet shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries shall be limited to a reasonable number of PGA TOUR photos.
11. The Authorized Outlet has rights only with respect to website media and other TOUR approved non-television video media and has no rights with respect to any other media without the prior approval of the PGA TOUR.

The credentialed entity and the Authorized Outlet therefor including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – Print

Media credentials will be issued only to personnel on assignment from recognized and accredited publications, as determined by PGA TOUR in its sole discretion. Individuals representing multiple interests (such as a recognized golf magazine and an Internet site) must agree to be bound by all applicable media regulations.

PGA TOUR retains exclusive media rights to all events on the PGA TOUR, Champions Tour and Nationwide Tour.

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information to various print and broadcast media organizations to use the information for editorial product as though they generated such information directly.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.

4. Players shall not be interviewed during play or after the round until the player has signed his scorecard.

5. Coverage shall be only for the Authorized Outlet therefor, including each intended end user thereof, and may not be sold or distributed to any other entity or party.
6. The use of golf carts is prohibited at all times.
7. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.
8. The credentialed entity has rights only with respect to print publication media and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. The holders of the media credential grant permission to PGA TOUR, Inc., to utilize the holders' images or likenesses incidental to any live or recorded television or other transmission or reproduction in whole or in part of any PGA TOUR event they attend.

PGA TOUR MAY REVOKE CREDENTIALS AT ANY TIME FOR ANY REASON INCLUDING VIOLATIONS OF ANY OF THE FOREGOING REGULATIONS.

Regulations – Photography

Photo credentials will be issued only to photographers on assignment from recognized and accredited publications, news services and other organizations approved in advance by the PGA TOUR. Requests for photo credentials must be made by the appropriate Authorized Outlet (i.e., publisher, news agency or organization) and not by the photographer. The credentialed entity has rights only with respect to photography and has no rights with respect to any other media without obtaining the proper and valid credentials for such media.

Photographic images of PGA TOUR, Champions Tour and Nationwide Tour players may be used on the Authorized Outlet for legitimate news coverage only, and may be used together with news stories during the day's play, so long as such photographs are not used with other real-time or near-real-time information or sequenced to create a "shot-by-shot" or "hole-by-hole" account of the day's play, nor may photos be sequenced in such a way as to approximate video. Commercial exploitation of these images without written consent of the players and PGA TOUR is prohibited. No sponsorship or advertising may be used in a manner that implies any association between any advertiser and the PGA TOUR and/or a PGA TOUR, Champions Tour or Nationwide Tour player. Requests for use of such images to promote the PGA TOUR shall be considered by PGA TOUR on a case by case basis. Where appropriate, the Authorized Outlet shall use reasonable efforts to use photographic likenesses of players and tournament courses containing current sponsors and endorsers. Photo galleries shall be limited to a reasonable number of PGA TOUR photos.

Credentialed photographers will receive one of two types of photo credentials. A limited number of inside the ropes photo credentials will be issued daily by the PGA TOUR Media Official on site and will permit the wearer access inside the ropes. Photographers who do not have an inside the ropes photo credential must stay outside the gallery ropes but are still required to check in with the on site PGA TOUR Media Official to receive the proper outside the ropes photo credential. Photographic assistants will not be issued photo credentials of any type.

Professional grade cameras and lenses must be used and may be used only by accredited media representatives who have been issued photo credentials, and such use is subject to the following conditions:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized to do by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product; provided, however, this credential restriction does not apply to credentialed media representing established wire and news services whose normal business is to distribute information to other news organizations so that such other news organizations may distribute the information for editorial product.

2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Photographers with inside the ropes photo credentials must stay within one arm's length of the ropes at all times. Photographers without inside the ropes photo credentials are not permitted inside the ropes at any time.

Regulations – Television

All television media are permitted to broadcast highlights coverage of such events only under the following conditions unless otherwise approved in writing by PGA TOUR:

1. Each credential issued pursuant to PGA TOUR Media Regulations operates as PGA TOUR authorization allowing only the holder of such credential and the Authorized Outlet therefor to use certain information gathered pursuant to the credential (including photographs, videotape, etc.). Please note that unless authorized by a separate written PGA TOUR authorization, credentialed individuals and Authorized Outlets therefor may sell or distribute such information only as part of the editorial product delivered to end users and not to other organizations or as part of a separate commercial product.
2. Each credential authorizes the holder of such credential and the Authorized Outlet therefor to use the trademark of the PGA TOUR, Champions Tour or Nationwide Tour (as applicable) in the news and editorial coverage of such Tour and the applicable tournament. It does not authorize the holder or the Authorized Outlet use of such trademarks in non-editorial contexts as non-editorial use of such trademarks requires a separate license from the PGA TOUR. Nor does it authorize the holder or the Authorized Outlet use of the tournament trademarks, which trademark use requires authorization from the applicable tournament.
3. Televised coverage shall not be in excess of three minutes of highlights daily from each Tour (and six minutes total for all three Tours) and may not purport to be live, play-by-play coverage from the course. Requests for expanded coverage must be submitted in writing to PGA TOUR.
4. All highlights coverage must be part of regularly scheduled news programs. Highlights may not be sold, distributed, syndicated or provided in any manner to any other entity.
5. Highlights from any day's play may not be broadcast or used for any other purpose after 48 hours from the conclusion of the applicable tournament.
6. No action footage of any day's play may be broadcast until that day's live or tape-delayed coverage by the television network is concluded.
7. Live coverage or reporting in excess of three minutes per day from a tournament site, including, without limitation, the course, media center, press room and designated interview area, is prohibited without the prior approval of PGA TOUR.
8. No footage may be used in any commercial manner or sold, distributed, syndicated or provided to any other entity or agency.

9. As the exclusive rights holder, PGA TOUR is the absolute owner of all footage shot at the tournament site (golf action or other footage) during the entire tournament week (i.e., Monday through Sunday or the conclusion of the tournament, if later than Sunday) and may request copies of any footage shot at PGA TOUR, Champions Tour and Nationwide Tour events. Such footage will be provided to PGA TOUR upon request (PGA TOUR will pay industry standard copying and shipping costs).
10. The use of golf carts is prohibited at all times.
11. Only personnel with appropriate credentials will be permitted into the media center and locker room areas.
12. Only personnel with appropriate credentials will be allowed inside the gallery ropes, and they must stay within one arm's length of the ropes at all times. All support personnel must remain outside the ropes.
13. All uses of footage hereunder shall be made with a courtesy credit to PGA TOUR.

The credentialed entity and the Authorized Outlet therefor, including each intended end user thereof, shall jointly and severally indemnify, defend and hold the Event, its host organizations and PGA TOUR and their respective officers, agents, representatives, successors and assigns harmless from and against any and all expenses, lawsuits, damages, costs and liabilities (including reasonable attorney's fees and expenses) incurred by, arising from, or in connection with, any actions of the credentialed entity.

The credentialed entity assumes all risk and danger incidental to the game of golf and releases PGA TOUR, Inc.-sanctioned tournaments and competitions and their host sites, title sponsors, host organizations, PGA TOUR, Inc., participating players, and all agents thereof from any and all liabilities resulting from such cases. TPC Network

The PGA TOUR's TPC Network has maintained a reputation for operating high-quality clubs since its inception 27 years ago. The TPC Network continues to grow, with more than 29 facilities currently open or under construction. TPCs encompass all forms of golf-related operations—resort facilities, corporate/private membership clubs and daily-fee courses. PGA TOUR Golf Course Properties, Inc. is able to match the type of facility with the demands of each market in which a club operates.

The Network represents the highest standard in the golf-operations industry, commensurate with the members of the organization it represents, the players of the PGA TOUR. Each TPC embodies the trademark of excellence first established with the flagship TPC Sawgrass, which opened its world-famous PLAYERS Stadium Course in the fall of 1980 in Ponte Vedra Beach, FL. This commitment to overall excellence serves as the foundation for the Network's overall success.

The TPC Network was born through former PGA TOUR Commissioner Deane Beman's desire to provide TOUR players with quality golf courses that also would offer spectators enhanced viewing areas. Beman also reasoned that development of quality facilities would alleviate the TOUR's dependency on the television dollar while providing rent-free venues for tournaments. The savings in rent, in turn, would generate both increased purses and greater charitable contributions by the tournaments held at TPCs.

TPC Sawgrass was the first TPC to hold a PGA TOUR event, becoming the permanent home of THE PLAYERS Championship in 1982. In 2008, 16 tournaments were conducted at TPC clubs, bringing the total number of PGA TOUR, Champions Tour and Nationwide Tour events held at TPC facilities to 279.

The TPC Sawgrass PLAYERS Stadium Course was completely refurbished in 2006, with the fairways redone and the greens rebuilt to cre-

ate "fast, firm and fair" playing conditions in time for the 2007 PLAYERS Championship.

Many of the top golf-course architects are connected with TPC projects, including Pete Dye, Tom Fazio, Arnold Palmer, Jack Nicklaus, Gary Player, Arthur Hills, Jay Morrish, Tom Weiskopf, Greg Norman, Bob Von Hage and D.A. Weibring. TPC Boston, which opened in 2002, was the fourth TPC course designed by Palmer Course Design Co. Weiskopf designed his second TPC course for TPC Craig Ranch near Dallas, TX, which opened in the fall of 2004. Moreover, in recognizing the importance of player input for tournament courses, TOUR members have served as design consultants, working closely with the lead architect. Hal Sutton, for instance, served as the player design consultant on TPC Treviso Bay (Naples, FL), which opened in 2008, while Steve Elkington was the player consultant and Kelly Gibson the associate player consultant working with architect Pete Dye on TPC Louisiana in New Orleans, which opened in April 2004.

TPC San Antonio is scheduled to open in 2010 and will be a 36-hole facility. Pete Dye and Greg Norman will be the architects, and Sergio Garcia and Bruce Lietzke will be the player consultants of the course.

TPCs are passionate about giving back. On a national level, TPCs do this by conducting fundraising events benefiting six military home front groups as part of PGA TOUR Charities' "Birdies for the Brave" military outreach program; providing honorary TPC memberships to wounded soldiers through the TOUR's Adopted Wounded Soldier program. On a local level, TPCs conduct fundraising for a wide variety of causes and charitable organizations through the TOUR's Adopt-A-Charity program. TPCs also give back through environmentally responsible agronomic practices that preserve wildlife habitats and protect natural resources.

data asset creates improved live coverage and more meaningful analysis. The new data creates great potential to enhance entertainment and image of the sport across all platforms.

The development of ShotLink started in 1997 when the TOUR decided to update its current scoring system, which was based on 1987 technology. The TOUR conducted an extensive review process to formulate its strategy for the development and implementation of ShotLink.

ShotLink was introduced during the summer of 2001 and represents the TOUR's scoring system for the future. The System was enhanced in 2006 with the addition of a radar solution that accurately collects club head speed, ball speed, launch angle and tracks the entire flight of the ball. This solution is being installed on one tee each week. In 2007 a state-of-the-art set of LED scoreboards were introduced at THE PLAYERS Championship. They are powered by ShotLink and leverage the DiamondVision technology of Mitsubishi Electric, the Official Large Outdoor Video Display Provider of the PGA TOUR.

This fan enhancement brings new information and insight to the fan in full color, including: leaderboards, leader updates, player bio, highlight videos, player performance metrics and shot location information. CDW became the official technology partner of the PGA TOUR and Champions Tour in 2008 and immediately helped the TOUR upgrade the ShotLink system by improving server management, wireless communication and on-site data communications. ShotLink powers real time scoring and player tracking via SHOT TRACKER on www.pgatour.com. Additionally ShotLink provides real time information to over 50 syndicated clients who use the data in a variety of manners including world wide dissemination and publication.

The accumulation, packaging and presentation of expanded shot and course information provide the basis for numerous fan enhancements.

Current uses of ShotLink data include:

- Enhanced graphics and statistics in television broadcasts—over 2,500 incremental broadcast mentions and graphics are aired annually due to the ShotLink system
- Expanded information and statistics (over 450 year to date and event statistics) for use by media
- Powering on-site and PGATOUR.COM tournament leaderboards
- Providing on-site media and hospitality access to live tournament information
- In addition to current uses, Shotlink provides unlimited potential to develop fan enhancements and products over the next several years, including:
 - Enhanced and interactive television
 - Internet, PC and console game enhancements
 - Enhanced live data coverage and distance-related statistics information on PGATOUR.COM

ShotLink

- On-site fan enhancements that include wireless data, audio and video solutions, Kiosk applications for tournament patrons through Tournament Tracker
- Powering mobile.pgatour.com, the PGA TOUR's wireless application for use on PDAs and cell phones
- Analysis of how each golf course is played to assist in course setup and in design changes
- Increased data mining to create more interesting entertainment on PGATOUR.COM
- Powered the Emmy Award-winning TOURCast application on PGATOUR.COM, which launched in 2003, and as since has been replaced by SHOT TRACKER

Besides fan enhancements, ShotLink creates an ongoing historical archive of statistical information. This information is available to players through a sophisticated extranet application - PGA TOUR Links.

The ShotLink data is collected by volunteers utilizing a combination of handheld devices and laser range finders. Each week a team of approximately 350 volunteers dedicate approximately three man years of effort to perform this data collection. In the course of the entire season, more than 10,000 volunteers contribute to the success of this program.

PGA TOUR Wives Association

PGA TOUR Wives Association, Inc. is a Florida not-for-profit corporation organized to render support for and provide assistance to needy children and their families through the means of charitable events. The Association is comprised of the wives of professional golfers on the PGA TOUR and Nationwide Tour, as well as individuals and corporations that support the PGA TOUR Wives Association, Inc.'s many charitable endeavors.

Since its incorporation in 1988, the PGA TOUR Wives Association, Inc. has supported children's charities across the country by raising money and has given back to the game of golf through personal time and monetary contributions. In addition to fundraising, members participate in Volunteer Service Projects, performing a myriad of services ranging from Habitat for Humanity builds to cooking in soup kitchens to playing with hospitalized children in communities where tournaments are held.

The PGA TOUR Wives Association, Inc. conducts numerous fundraisers to support its charities. These include memorabilia auctions, tasting events, concerts and other activities.

In 2008, *GOLF Magazine* named the PGA TOUR Wives Association as the recipient of one of 10 Innovator Awards, under the category "The Providers," for its charitable nature and positive impact on PGA TOUR host cities.

The Association's favorite (and longest-running) fundraiser is the biennial TOUR Wives Golf Classic, a nine-hole tournament where the wives play golf and their husbands caddie. The TOUR Wives Golf Classic, first played in 1987, has been held at different courses around the country.

While its membership varies from year to year, the commitment of the PGA TOUR Wives Association, Inc. to making a difference in the lives of needy children stands strong. The Association's dedicated members, past and present, have reached deep into their resources to balance the demands of family, work and travel and have given generously of themselves to realize their ideals. For information regarding the PGA TOUR Wives Association, please see their website at www.pgatourwives.org or contact Sara Moores at the PGA TOUR.

Weather Guidelines

Every effort will be made to finish each round as scheduled by Sunday. The first priority is always the competition and completion of 72 holes.

In an effort to achieve this objective by Sunday, 36 holes may be played on Sunday following a reduction of the field to the score which has the closest number of professionals to 60. If an equal number of professionals are at scores above and below the 60th position, the higher score will be used.

If conditions exist which prevent 72 holes from being completed by Sunday, play will always be extended to Monday if golf-course conditions and the weather forecast permit. Play on Monday could include 36 holes.

If conditions exist which make the completion of 72 holes impossible, the next priority is to complete 54 holes; thereby the winner is credited with an official victory. Again, play in this situation will always be extended to Monday if conditions and weather permit.

If conditions exist which make the completion of 54 holes impossible, the next priority is to complete 36 holes; thereby players receive official money, although the winner is credited with an unofficial victory. Again, play in this situation may be extended to Monday.

In making decisions to extend play beyond Sunday or to reduce the tournament to fewer than 72 holes due to inclement weather, the on-site Tournament Director discusses the situation and conditions with a number of parties, including the host organization, title sponsor, host site (general manager and/or golf-course superintendent), on-site weather forecaster, television representatives and the other members of the Rules Committee. Players typically have not been included in these discussions as the TOUR believes it is inappropriate for the Rules Committee to discuss matters directly affecting the competition with contestants.

World Golf Foundation

WORLD GOLF FOUNDATION

The World Golf Foundation is a 501(c) (3) nonprofit organization based in St. Augustine, FL at World Golf Village, home of the World Golf Hall of Fame and the national headquarters of The First Tee and GOLF 20/20.

Established in 1994 to unite the golf industry and those who love the game, the World Golf Foundation supports initiatives that promote, enhance the growth of and provide access to the game of golf worldwide, while preserving golf's traditional values and passing them on to others.

The seven organizations that comprise the Executive Committee of the Foundation Board are represented by their respective chief executive, as follows: Jim Armstrong, Executive Director of Augusta National Golf Club; Carolyn Bivens, Commissioner of the LPGA; Peter Dawson, Chief Executive of The R&A; David Fay, Executive Director of the United States Golf Association; Tim Finchem, Commissioner of the PGA TOUR; George O'Grady, Executive Director of the European Tour; and Joe Steranka, Chief Executive Officer of the PGA of America. Peter Dawson of The R&A serves as 2009 Chairman of the Board, with the role of Chairman rotating on an annual basis between members of the Board's Executive Committee.

In March, 2008, Steve Mona was named as the World Golf Foundation's first-ever Chief Executive Officer. Mona, 51, joined the organization after having previously served since 1993 as the CEO of the Golf Course Superintendents Association of America. He has been actively involved with the World Golf Foundation and its initiatives over the past decade, serving on the World Golf Hall of Fame Advisory Board and The First Tee Advisory Committee since 1998 and the GOLF 20/20 Executive Board since 1999.

CEO, World Golf Foundation

In 2008, the Foundation also announced that in addition to an ongoing focus on its three primary initiatives (World Golf Hall of Fame, The First Tee, GOLF 20/20), the organization would broaden its scope to initiate strategic dialogue in areas of common interest that impact golf on a global basis. Among others, the areas of Global Communications, Research and Public Affairs and the development of a unified Anti-Doping Policy for the sport have become part of the World Golf Foundation's focus.

The World Golf Hall of Fame (wgf.com) is the ultimate destination for the celebration and recognition of golf's greatest players and contributors, men and women. The institution stands as an inspiration to golfers and fans throughout the world. Its annual induction ceremony honors new members each year on the grounds of the museum.

The First Tee (thefirsttee.org) is now widely recognized as a preeminent positive youth development organization. Its mission is to impact the lives of young people by providing learning facilities and educational programs that promote character development and life-enhancing values through the game of golf. Since its inception in 1997, The First Tee has established nearly 700 program locations in 48 states and four international locations. It has introduced the game of golf and its values to more than 2.2 million participants and students. Former President George Bush serves as honorary chairman.

GOLF 20/20 (golf2020.com) is a unique industry collaboration to grow the game of golf and secure its future. The mission, which was initiated in 1999, is to align the golf industry behind a plan that addresses the future of golf in a strategic manner, with an emphasis on accelerating growth and participation, and creating new avenues of access into the game. In November, 2008, GOLF 20/20 unveiled a new adult player development program, Get Golf Ready, which will be rolled out in 2009 to several hundred facilities across the U.S., with a three-year goal of 3,000 participating facilities.

PGA TOUR Anti-Doping Program

The objective of the PGA TOUR's Anti-Doping Program is to aggressively deter the use of any prohibited substance. The key elements of the program include player outreach and education, prohibited substances and methods, therapeutic use exemptions, testing protocol and procedure, and guidelines governing sanctions and program administration. A summary of each of these elements follows.

Player Outreach and Education

All PGA TOUR players receive an Anti-Doping Program Manual that is updated annually. The manual contains significant detail about all aspects of the Program. Information about the Program is posted on player-access websites. Players also have 24-hour-a-day confidential access to medical and program advisors who can respond to any questions relating to specific substances, medications or testing procedures. Anti-Doping staff and medical experts will be on site at several TOUR stops during the 2009 FedExCup schedule to answer any questions players may have about the Program.

Prohibited Substances

The PGA TOUR and the other member organizations of the World Golf Foundation collaborated to create a Model Prohibited Substances and Methods List that was first announced in September 2007.

The list includes:

- Anabolic Agents (e.g., steroids)
- Hormones and Related Substances (e.g., human growth hormone, testosterone, EPO)
- Agents with Anti-Estrogenic Activity (to artificially increase testosterone level)
- Diuretics and other masking Agents
- Stimulants (e.g. Ritalin)
- Narcotics
- Cannabinoids
- Beta Blockers
- Enhancement of Oxygen Transfer (blood doping)
- Chemical and Physical Manipulation (tampering with a sample)

Therapeutic Use Exemptions

The TOUR's Anti-Doping Program includes a process for players to apply to receive a Therapeutic Use Exemption (TUE) to use a banned substance if there is a legitimate medical need as determined by the TOUR's medical committee.

This TUE medical committee is chaired by the TOUR's anti-doping Medical Advisor, Tom Hospel, M.D. Dr. Hospel is Board Certified in Sports Medicine, has served as the team physician for The Ohio State University and practices medicine with the Medical Advisor for the NFL Anti-Doping Program. The TUE medical committee also includes a number of other highly regarded physicians from various medical disciplines.

Testing Protocol

As with the overall Anti-Doping Program, the TOUR's primary objective with its testing protocol is to have a credible process that will aggressively and effectively deter the use of any prohibited substance. Under the terms of the program, the TOUR has the authority to test players at any time or place. All testing will be without prior notice. Testing done at tournament sites may be conducted both on practice/pro-am days and before or after competitive rounds. There is not a stated minimum or maximum number of times a year that an individual player may be tested.

The TOUR takes significant steps to ensure that the confidentiality, security and integrity of the entire process is preserved for the membership. To implement the testing process, the TOUR has engaged the National Center for Drug Free Sport (Drug Free Sport). Individuals employed by Drug Free Sport are specifically trained to ensure a confidential and professional testing experience.

Drug Free Sport assists in the player education program in addition to conducting the actual testing. Drug Free Sport also provides drug testing or education services for the national Football League (NFL), Major League Baseball (MLB), National Basketball Association (NBA), National Collegiate Athletic Association (NCAA) and hundreds of colleges and universities.

Sanctions

Players who have been tested will be notified of the results by the TOUR Program Administrator. If it is determined that a player committed a violation of the Anti-Doping Program, the player will be notified of the violation and the sanction. Players will have an opportunity to appeal a sanction at a hearing to be held by the Commissioner or his designee.

Under the program, the TOUR has the authority to impose a variety of sanctions, which may include: disqualification, ineligibility for up to one year for a first violation, up to five years for a second violation, and up to a lifetime ban for multiple violations, and fines up to \$500,000.

In addition, for drugs of abuse (marijuana, certain narcotics, cocaine), the Commissioner will have the discretion to require treatment and rehabilitation in lieu of or in addition to other sanctions.

For any player who fails a test and is issued sanctions, the TOUR will disclose that the player violated the TOUR's Anti-Doping Program and will report the penalty.

Program Administration

The Program will be handled through the TOUR's Office of the General Counsel led by Rick Anderson, Executive Vice President and Chief Legal Officer. Allison Keller, Executive Director, Anti-Doping Program, will be the Program Administrator.

The TOUR engages outside policy and medical experts to assist in the administration of the program, including player education programs and the testing process. The TOUR has worked closely with Richard Young, one of the world's foremost anti-doping experts and the principal draftsman of the World Anti-Doping Agency (WADA) Code. Young has served on the WADA Board since 2004.

World Golf Hall of Fame

Open since 1998, the World Golf Hall of Fame's mission is to honor and celebrate golf's greatest players and contributors. Supported by the world's leading golf organizations, the Hall of Fame combines historic artifacts and personal memorabilia with interactive exhibits to tell the stories of the Hall of Fame members and the history of the game. The Hall of Fame is located at World Golf Village in St. Augustine, FL.

Hall of Fame Induction Process

Each year, the World Golf Hall of Fame welcomes a new class of members during an Induction Ceremony that airs on the GOLF CHANNEL. The 2009 Hall of Fame Induction Ceremony will take place on Monday, November 16.

There are five opportunities for a player or contributor to be inducted into the World Golf Hall of Fame: PGA TOUR/Champions Tour ballot, International ballot, LPGA Point System, Lifetime Achievement and Veterans categories.

Various criteria is set up for players to be eligible for the PGA TOUR/Champions Tour and International ballots, including an age requirement of at least 40 years old and a career performance that includes a substantial amount of regular tournament victories and majors.

The LPGA Point System requires a player to be an active member of the LPGA Tour for 10 years and to have won either an LPGA major tournament, Vare Trophy or Rolex Player of the Year honors, plus a number of other tournament victories.

Nominations for Lifetime Achievement are made by the International Voting Body Members. This category is designed for those whose primary role in the game has come from outside the playing arena. The World Golf Foundation's Board of Directors decides this category each year.

Any professional or amateur player whose playing career concluded at least 30 years ago is eligible for selection through the Veterans Category. The World Golf Foundation's Board of Directors also determines those persons selected for this category each year.

The Museum

Guests of the World Golf Hall of Fame are greeted with the fascinating and comprehensive tale of golf's history and its development from the cradle in Scotland through its growth to the far reaches of the world. An exhibit in this area focuses on the role of The R&A, the history of The Open Championship, golf's longest-running major, and The Royal & Ancient Golf Club of St. Andrews.

The Hall of Fame members' stories are referenced throughout the museum, though their true home is in the center of the museum, Shell Hall, named for the Hall of Fame's founding partner, Shell Oil Company. An extraordinary "Wall of Fame" donning hand-crafted bronze relief plaques of each member extends an entire wall, representing the current 126 members.

As a fitting tribute to the highest achievement in golf, significant tournament trophies, including men's and women's majors, are artfully displayed in the Hall of Fame Tower. Though perhaps the museum's true treasure trove is the Member Locker Room exhibit, which showcases more than 2,000 artifacts from Hall of Fame members around the world.

Guests have the opportunity to sink a long putt on a modern tournament-style putting green under the lights and cameras of a Shell's Wonderful World of Golf match and video is featured throughout the museum, including a theater offering great championship moment highlights.

Inductee Exhibits and More

Each year the Hall of Fame showcases the stories and supporting memorabilia from the current year's class of inductees. On display from the 2008 Class are exhibitions for Sir Bob Charles, Pete Dye, Denny Shute, Carol Semple Thompson, Herbert Warren Wind and Craig Wood.

Through the first part of 2009, the Hall of Fame is featuring a special display on member Vijay Singh, winner of the 2008 FedExCup. The display includes significant items from his PGA TOUR Playoffs victories and crowning moment following play in THE TOUR Championship.

"Bob Hope: Shanks for the Memory"

Offering the largest collection of Bob Hope memorabilia ever placed on public display in a single exhibition, "Bob Hope: Shanks for the Memory" features rich storytelling alongside hundreds of artifacts and more than 600 photos placed throughout a variety of set pieces designed to reflect the different eras and locations significant to Hope's life, including England, Cleveland, New York, Hollywood, Palm Springs, Washington, D.C. and sites of USO shows around the world.

Naturally, the exhibition looks at the many ways Hope championed the game of golf, including the development and hosting of the PGA TOUR's Bob Hope Chrysler Classic, which is celebrating its 50th anniversary in 2009.

While displaying varied artifacts from nearly every aspect of Hope's life of more than a century, the exhibit features a walk through Hope's "majors," highlighting artifacts that represent some of the most important achievements in his life.

"Bob Hope: Shanks for the Memory" is the latest in a series of Hall of Fame member-focused exhibitions developed by the Hall of Fame. Other members that have been featured include Ben Hogan, Byron Nelson, Bobby Jones, Arnold Palmer, Gary Player and Jack Nicklaus.
